Noteholders participate by voting through VPS Investortjenester (only applicable for Norwegian holders with a VPS account in Norway) or completing and sending the voting form, attached hereto as Schedule 1 (the "**Voting Form**"), and, if applicable, the power of attorney/authorisation, attached hereto as Schedule 2 (the "**Power of Attorney**"), if the Notes are held in custody other than by the CSD, to the Agent. This means that the person must be registered on a Securities Account with the CSD, as a direct registered owner or authorised nominee with respect to one or several Notes.

***Disclaimer:** The Request (as defined below) is presented to the Noteholders, without any evaluation, advice or recommendations from the Agent whatsoever. The Agent has not reviewed or assessed this Notice or the Request (and its effects, should it be adopted) from a legal or commercial perspective of the Noteholders and the Agent expressly disclaims any liability whatsoever related to the content of this Notice and the Request (and its effects, should it be adopted). The Noteholders are recommended to seek legal advice in order to independently evaluate whether the Request (and its effects) is acceptable or not. Each Noteholder is solely responsible for making its own independent evaluation of all matters as such Noteholder deems appropriate (including those relating to the Request (as defined herein), and each Noteholder must make its own decision as to whether to participate in the Request. Noteholders should consult their own tax, accounting, financial and legal adviser regarding the impact to themselves of voting in favour for or against the Request. None of the Issuer or the Agent, nor any director, officer, employee, agent or affiliate of any*

such person, makes any recommendation as to whether such Noteholder should vote in favour for or against the Request.

1. Background

Under the Notes, the Issuer holds and passes on the economic benefit to the Noteholders of certain E PIK Notes issued by Evolution Credit Limited (name changed from Real People Investment Holdings Limited) ("**ECL**"). Under separate instruments, the NOK Ords Participating Notes, the Issuer holds and passes on the economic benefit of certain ordinary shares (defined in the Terms and Conditions as "Ords") issued by ECL to the holders of the NOK Ords Participating Notes.

This Written Procedure concerns a request to simplify the capital structure of ECL by, amongst other things, exchanging the E PIK Notes held by the Issuer for further Ords that after the exchange will be held by the Issuer for the benefit of the Notes.

In 2017 ECL carried out a restructuring of its capital structure where, amongst other things, part of its debts was written off and exchanged for a number of different share instruments, such as the Ords, and debt instruments, such as the E PIK Notes. In addition to the Ords and the E PIK Notes, A Ordinary Shares, B Preference Shares, C1 Preference Shares, C2 Preference Shares and D PIK Notes were issued to various stakeholders (collectively, the "**Scheme Securities**").

Instead of issuing Ords and E PIK Notes directly to the holders of the NOK Bonds, Ords and E PIK Notes were issued to the Issuer, which in turn issued the Notes to pass on the economic interest in the E PIK Notes to the Noteholders and the NOK Ords Participating Notes to pass on the economic interest in the Ords, to the holders that held NOK Bonds at the time of the implementation of the restructuring. For technical reasons, the Issuer issued two separate instruments – the Notes with respect to the Ords and the NOK E PIK Participating Notes with respect to the E PIK Notes – to pass on the economic interest in the Ords and the E PIK Notes to the holders of the NOK Bonds.

2. Proposal to simplify capital structure

ECL wishes to simplify its capital structure by exchanging the current Scheme Securities for ordinary shares to obviate the maintenance needs for its current complex capital structure and make it thereafter the only remaining security, the ordinary shares, more tradeable.

The changes to the capital structure are contemplated to be implemented as a scheme of arrangement regulated by the South African Companies Act and Companies Regulations (the "**Scheme**"). A requisite proportion of holders of all affected securities must participate in the Scheme proceedings and vote in favour of the Scheme for it to be adopted and be able to be implemented.

Under the terms of the existing Scheme Securities holders of the Scheme Securities are entitled to receive a portion of distributable amounts in accordance with the percentages set out in the following Table ("**Cashflow Waterfall**") on the basis that, for so long as there are E PIK Notes in issue the distributable amount will be distributed in accordance with the first Cashflow Waterfall. Thereafter, for so long as there are D PIK Notes in issue the Distributable Amount will be distributed in accordance with the second Cashflow Waterfall, and so on and so forth until only the Ordinary Shares and A Ordinary Shares remain in issue (at which time and whereafter the fifth Cashflow Waterfall will apply). It is unforeseeable

that ECL will be able to settle the E PIK Notes distribution and it is therefore proposed that only the first Cashflow Waterfall be used for the conversion. Pursuant to the Cashflow Waterfall, the E PIK Noteholders receive 85% of the distribution (of that 85%, 3% is allocated to the A Ordinary Shareholders, and the remaining 97% is allocated to the E PIK Noteholders). In total, the E PIK Noteholders receive 82.45% of the total distribution ($85\% \times 97\% = 82.45\%$) being made in accordance with the Cashflow Waterfall.

Class	1 st	2 nd	3 rd	4 th	5 th
E PIK Notes and A Ordinary Shares (3%)	85%	0%	0%	0%	0%
D PIK Notes and A Ordinary Shares (6%)	7%	85%	0%	0%	0%
C Preference Shares and A Ordinary Shares (9%)	5%	7%	85%	0%	0%
B Preference Shares and A Ordinary Shares (12%)	2%	5%	10%	85%	0%
Ordinary Shares and A Ordinary Shares	1%	3%	5%	15%	100%

Based on the Cashflow Waterfall and a valuation by the independent board members of ECL, the board of ECL has proposed in the Scheme that the ordinary shares issued in exchange for the various existing securities should be allocated as follows:

Scheme Securities	Economic Participation	Total Ordinary Shares Pre-Consolidation
Ordinary Shares	0.85%	102,169,409
A Ordinary Shares	3.81%	457 959 351
B Preference Shares	1.76%	211 550 776
C Preference Shares	4.55%	546 906 836
D PIK Notes	6.58%	790 911 425
E PIK Notes	82.45%	9 910 432 673
Total	100%	12 019 930 471

In terms of the first Cashflow Waterfall, the E PIK Noteholders receive 85% of the distribution. Of that 85%, 3% is allocated to the A Ordinary Shareholders, and the remaining 97% is allocated to the E PIK Noteholders. Therefore, the E PIK Noteholders will receive 82.45% of the total distribution of additional ordinary shares ($85\% \times 97\% = 82.45\%$).

Of the additional shares allocated to the E PIK Notes, the Issuer will receive additional ordinary shares in proportion to its holding of E PIK Notes in relation to the total number of currently outstanding E PIK Notes.

The Scheme also includes a consolidation of the ordinary shares such that, after the implementation of the consolidation, each holder of ordinary shares (including both

existing and additional ordinary shares) will receive 1 (one) ordinary share for each 1,000 ordinary shares held (the "**Consolidation**").

As a result of the implementation of the Scheme, the E PIK Notes will be deemed to be redeemed in full and any outstanding interest or other amounts forgiven. Since the E PIK Notes will be redeemed in full pursuant to the implementation of the Scheme, the Terms and Conditions shall be updated as set out in the Amended and Restated Terms and Conditions (as defined below) in respect of the underlying asset of the Notes, where the ordinary shares received by the Issuer after the Consolidation (representing the additional ordinary shares that will be issued as a part of the Scheme), will be held by the Issuer as Reference Instruments on behalf of the Noteholders instead of the E PIK Notes currently held by the Issuer on behalf of the Noteholders under the Terms and Conditions. The Terms and Conditions are proposed to be amended to accommodate the change of underlying Reference Instruments from E PIK Notes to Ords. Following the implementation of the Scheme (including the Consolidation), the Issuer will hold 1,196,049 ordinary shares in ECL as Reference Instruments under the Terms and Conditions on behalf of the Noteholders.

The independent board members of ECL have prepared an independent board report regarding the Scheme (the "**Independent Board Report**"), that also includes a report by the independent experts, BDO, regarding the Scheme (the "**Report of the Independent Expert (BDO)**"), please see schedule 4 for a copy of the Independent Board Report and schedule 5 for a copy of the Report of the Independent Expert.

3. Request to approve Scheme and amend terms and conditions

3.1 Request

In order to achieve the above-mentioned objectives, the Issuer hereby requests (the "**Request**") that the Noteholders:

- (a) instruct the Agent to instruct the Issuer to vote in favour of the proposed Scheme as described above for the E PIK Notes (including the Consolidation); and
- (b) approve that the Agent enters into such amendments of and/or additional Security Documents, effects releases of Transaction Security, and takes such other actions that the Agent considers appropriate to implement the Scheme (including the Consolidation) (including exchanging the E PIK Notes held for the benefit of the Notes for ordinary shares that after the exchange will be held for the benefit of the Noteholders) and include the ordinary shares received by the Issuer in connection with the Scheme under the Transaction Security; and
- (c) approve to amend the Terms and Conditions in accordance with the mark-up set out in Schedule 3) (the "**Amended and Restated Terms and Conditions**").

3.2 Conditions for effectiveness and effective date

- (a) The amendments to the Terms and Conditions and any amendments of and/or additional Security Documents pursuant to the Request (the "**Amendments**") will come into effect on the date that the Agent is satisfied that it has received the following documents or evidence:

- (i) resolutions by the board of directors (or other relevant corporate body) of the Issuer approving the transactions contemplated by the Request;
 - (ii) an amendment and restatement agreement executed by the Issuer and the Agent implementing the Amendments;
 - (iii) a confirmation from Dutch legal counsel confirming that the Transaction Security and each Parallel Debt Agreement governed by Dutch law will remain effective and cover the Reference Instruments following the Amendments; and
 - (iv) a confirmation from South African legal counsel confirming that the Transaction Security governed by South African law will remain effective and cover the Reference Instruments following the Amendments.
- (b) When considering conditions and documentation, the Agent may assume that any documentation and other evidence delivered to it or to be entered into by it in relation to the Written Procedure is accurate, legally valid, correct and complete and the Agent does not have to verify the contents of such documentation or evidence.

3.3 Authority for the Agent to implement the Request

If the Request is approved in the Written Procedure, the Noteholders' give the Agent the power to enter into all agreements and take all actions that the Agent deems necessary in order to implement the Request (including to instruct the Issuer to take actions).

4. Written Procedure

The following instructions need to be adhered to under the Written Procedure.

4.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier, email to the address indicated below no later than 12:00 (CEST), 5 June 2024. Votes received thereafter may be disregarded.

4.2 Decision procedure

The Agent will determine if received replies are eligible to participate under the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Request shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

The Issuer and the Agent shall, in order to implement and effectuate the amendments (including the effects of the Consolidation), enter into amended and restated Terms and Conditions that should enter into effect if the Scheme becomes effective and is implemented.

Information about the decision taken under the Written Procedure will: (i) be sent by notice to the Noteholders and (ii) be published on the Agent's website.

A matter decided under the Written Procedure will be binding for all Noteholders, irrespective of them responding in the Written Procedure.

4.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date (24 May 2024) in the debt register:

- (a) be registered as a direct registered owner of a Securities Account; or
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Notes.

4.4 Notes registered with a nominee

If you are not registered as a direct registered owner, but your Notes are held through a registered authorised nominee or another intermediary, you may have two different options to influence the voting for the Notes.

1. You can ask the authorised nominee or other intermediary that holds the Notes on your behalf to vote in its own name as instructed by you.
2. You can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Notes through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as noteholder of the Securities Account, or from each intermediary in the chain of noteholders, starting with the intermediary that is registered in the debt register as a Noteholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Notes on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Notes on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Notes are registered or need authorisation or other assistance to participate. Notes owned by the Issuer, another Group Company or an Affiliate do not entitle to any voting rights.

4.5 Quorum

No quorum requirement applies to this second Written Procedure.

4.6 Majority

At least sixty-six and two thirds (66 2/3) per cent of the Adjusted Nominal Amount for which Noteholders reply under the Written Procedure must consent to the Requests.

4.7 Address for sending replies

If the Agent decides not to accelerate the Notes, the Agent shall promptly seek instructions from the Noteholders in accordance with Clause 17 (*Decisions by Noteholders*). The Agent shall always be entitled to take the time necessary to consider whether an occurred event constitutes an Event of Default.
- (d) If the Noteholders instruct the Agent to accelerate the Notes, the Agent shall promptly declare the Notes due and payable and take such actions as may, in the opinion of the Agent, be necessary or desirable to enforce the rights of the Noteholders under the Finance Documents, unless the relevant Event of Default is no longer continuing.
- (e) If the right to accelerate the Notes is based upon a decision of a court of law or a government authority, it is not necessary that the decision has become

enforceable under law or that the period of appeal has expired in order for cause of acceleration to be deemed to exist.

13. Offer to subscribe for ordinary shares in ECL

- (a) If new ordinary shares are issued by ECL with a right of first refusal for existing holders of ordinary shares and with a right for the Issuer to designate nominees with respect to such share issue, the Issuer will offer to the extent reasonable practicable possible each Noteholder to designate it as nominee with respect to the share issue pro rata in relation to the Noteholder's holding of Notes (rounded down to the closest whole number of shares).
- (b) The Issuer may make such reasonable adjustments or amendments to the offer as it deems appropriate or necessary to implement the offer from a practical or administrative perspective.

14. Voting for the Reference Instruments

- (a) If the holders of ordinary shares in ECL are summoned or otherwise offered to vote on a matter as shareholders, the Issuer shall vote as holder of the Reference Instruments:

 - (E) any issuance of shares, options, convertibles or other instruments providing an entitlement to ordinary shares (other than (i) as contemplated to occur as a part of the Restructuring, or (ii) if offered with right of first refusal to the existing holders of ordinary shares or pursuant to an employee share scheme;
 - (F) any merger of the ECL with another legal entity (except where ECL continues to exist as the surviving legal entity);

- (G) a decision to liquidate (voluntarily or compulsorily) or wind-up ECL or to place ECL under business rescue or similar process (in each case whether provisionally or finally) or to compromise generally with its creditors, other than if required to do so in accordance with the provisions of the South African Companies Act; and
 - (H) the deregistration of ECL.
- (ii) Subject to paragraph (b) below, with respect to all other matters than those referred to in paragraph (a)(i) above:
 - (iii) as long as Senior Lenders hold at least twenty (20) per cent. of the issued ordinary share capital in ECL and Senior Loans are outstanding, in the same way as the majority of the number of votes are cast by the Senior Lenders with respect to ordinary shares in ECL held by them; or
 - (iv) if the Senior Lenders hold less than twenty (20) per cent. of the issued ordinary share capital in RPIH or if the Senior Loans has been fully discharged, in the same way as the majority of the number of votes are cast by the other holders of ordinary shares in ECL with respect to such ordinary shares.

 - (c) If a matter referred to in paragraph (a)(i) or (b) above shall be voted on by the shareholders of the Reference Instruments, the Agent shall (to the extent possible taken applicable notice periods and administrative procedures into account) give notice of a Written Procedure or a Noteholder's Meeting on which the Noteholders may decide on how to instruct the Issuer to vote for the Reference Instruments.

15. Distribution of Proceeds

- (a) All amounts received by the Issuer relating to the Reference Instruments and the Finance Documents (other than under or relating to the ECL Cost Coverage Agreement) following an acceleration of the Notes in accordance with Clause 12 (*Events of Default and Acceleration of the Notes*) and any proceeds received from an enforcement of the Transaction Security and for the avoidance of doubt excluding any amounts received under the ECL Cost Coverage Agreement, shall be distributed by the Issuer (or the Agent) in the following order of priority, in accordance with the instructions of the Agent:
 - (i) first, in or towards payment pro rata of (i) all unpaid fees, costs, expenses and indemnities payable by the Issuer to the Agent in accordance with the Agency Agreement (other than any indemnity given for liability against the Noteholders), (ii) other costs, expenses and

indemnities relating to the acceleration of the Notes, the enforcement of the Transaction Security or the protection of the Noteholders' rights as may have been incurred by the Agent, (iii) any costs incurred by the Agent for external experts that have not been reimbursed by the Issuer in accordance with Clause 21.2(f), and (iv) any costs and expenses incurred by the Agent in relation to a Noteholders' Meeting or a Written Procedure that have not been reimbursed by the Issuer in accordance with Clause 17(d);

- (b) If a Noteholder or another party has paid any fees, costs, expenses or indemnities referred to in Clause 15(a) or ((a)(ii)), such Noteholder or other party shall be entitled to reimbursement by way of a corresponding distribution in accordance with Clause 15(a)(i) or ((a)(ii)).
- (c) Funds that the Agent receives (directly or indirectly) in connection with the acceleration of the Notes or the enforcement of the Transaction Security constitute escrow funds (*redovisningsmedel*) and must be held on a separate interest-bearing account on behalf of the Noteholders and the other interested parties. The Agent shall arrange for payments of such funds in accordance with this Clause 15 as soon as reasonably practicable.
- (d) If the Issuer or the Agent shall make any payment under this Clause 15, the Issuer or the Agent, as applicable, shall notify the Noteholders of any such payment at least ten (10) Business Days before the payment is made. Such notice shall specify the Record Date, the payment date and the amount to be paid. Notwithstanding the foregoing, for any Participation due but unpaid and/or any partial redemption of principal in accordance with Clause 6 (*Payment of Participation*) due but not made, the Record Date specified in Clause 5(a) shall apply.
- (e) Any amounts received under the ECL Cost Coverage Agreement will not be available for payment on the Notes but will only be available to pay any amounts due with respect to other obligations.

16. Noteholders' Committee

- (a) The Noteholders may appoint a committee (a "**Noteholders' Committee**") to represent the interests of the Noteholders. A Noteholders' Committee shall consist of no less than three (3) natural persons. All members of a Noteholders' Committee shall be elected at a Noteholders' Meeting.
- (b) Each Noteholder is entitled to nominate candidates to the Noteholders' Committee by notice to Agent no later than two (2) Business Days prior to the Noteholders' Meeting. At the Noteholders Meeting all candidates so nominated shall be presented to the Noteholders. Each Noteholder that is entitled to vote shall for such election have the same number of votes to cast for each Note as the total number of persons to be elected. A Noteholder may cast its votes for one or several of the candidates. The candidates that receive the most votes shall be elected to the Noteholders' Committee.
- (c) A Noteholders' Committee may enter into discussions with the Issuer and other creditors of the Issuer and by majority decision among its members (i) adopt such procedural rules as it considers appropriate and (ii) prepare proposals and recommendations to the Noteholders. A Noteholders' Committee may not bind the Noteholders to any agreement or decision. The Agent shall provide reasonable assistance to the Noteholders' Committee and participate in its meetings.
- (d) The Noteholders' Committee may agree with the Issuer not to disclose information received from the Issuer provided that it, in the reasonable opinion of the Noteholders' Committee, is beneficial to the interests of the Noteholders. The Agent shall be a party to such agreement and receive the same information from the Issuer as the Noteholders' Committee.
- (e) The Noteholders' Committee and the Issuer may agree that the Issuer shall pay certain costs and expenses incurred by the Noteholders' Committee. Otherwise the Noteholders' Committee is not entitled to be reimbursed for any costs or expenses.

17. Decisions by Noteholders

- (b) The value of the vote of each Note shall be the Nominal Amount
- (c) Any request from the Issuer, ECL or a Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount (such request may only be validly made by a person who is a Noteholder on the Business Day immediately following the day on which the request is received by the Agent and shall, if made by several Noteholders, be made by them jointly) for a decision by the Noteholders on a matter relating to the Finance Documents shall be directed to the Agent and dealt with at a Noteholders' Meeting or by way a

Written Procedure, as determined by the Agent. The person requesting the decision may suggest the form for decision making, but if it is in the Agent's opinion more appropriate that a matter is dealt with at a Noteholders' Meeting than by way of a Written Procedure, it shall be dealt with at a Noteholders' Meeting. Notwithstanding the foregoing, the appointment of a Noteholders' Committee shall always be dealt with at a Noteholders' Meeting.

- (d) The Agent may refrain from convening a Noteholders' Meeting or instigating a Written Procedure if (i) the suggested decision must be approved by any person in addition to the Noteholders and such person has informed the Agent that an approval will not be given, or (ii) the suggested decision is not in accordance with applicable laws.
- (e) Only a person who is, or who has been provided with a power of attorney pursuant to Clause 4 (*Right to Act on Behalf of a Noteholder*) from a person who is, registered as a Noteholder:

- (f) The following matters shall require the consent of Noteholders representing at least sixty-six and two thirds ($66 \frac{2}{3}$) per cent. of the Adjusted Nominal Amount for which Noteholders are voting at a Noteholders' Meeting or for which Noteholders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 19(c):

 - (vi) amend any payment day for principal or Participation or waive any breach of a payment undertaking, or
 - (vii) amend the provisions regarding the majority requirements under these Terms and Conditions.

- (g) Any matter not covered by Clause 17(f) shall require the consent of Noteholders representing more than 50 per cent. of the Adjusted Nominal Amount for which Noteholders are voting at a Noteholders' Meeting or for which Noteholders reply in a Written Procedure in accordance with the instructions given pursuant to Clause 19(c). This includes, but is not limited to, any amendment to, or waiver of, the terms of any Finance Document that does not require a higher majority (other than an amendment permitted pursuant to Clause 20(a) or (20(a)(iii))), an acceleration of the Notes, the appointment of a Noteholders' Committee, or the enforcement of any Transaction Security.
- (h) Quorum at a Noteholders' Meeting or in respect of a Written Procedure only exists if a Noteholder (or Noteholders) representing at least fifty (50) per cent. of the Adjusted Nominal Amount in case of a matter pursuant to Clause 17(f), and otherwise twenty (20) per cent. of the Adjusted Nominal Amount:
 - (i) if at a Noteholders' Meeting, attend the meeting in person or by telephone conference (or appear through duly authorised representatives); or

- (i) If a quorum does not exist at a Noteholders' Meeting or in respect of a Written Procedure, the Agent or the Issuer shall convene a second Noteholders' Meeting (in accordance with Clause 18(a)) or initiate a second Written Procedure (in accordance with Clause 19(a)), as the case may be, provided that the relevant proposal has not been withdrawn by the person(s) who initiated the procedure for Noteholders' consent. The quorum requirement in Clause 17(h) shall not apply to such second Noteholders' Meeting or Written Procedure.
- (j) Any decision which extends or increases the obligations of the Issuer or the Agent, or limits, reduces or extinguishes the rights or benefits of the Issuer or the Agent, under the Finance Documents shall be subject to the Issuer's or the Agent's consent, as appropriate.
- (k) A Noteholder holding more than one Note need not use all its votes or cast all the votes to which it is entitled in the same way and may in its discretion use or cast some of its votes only.
- (l) The Issuer may not, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Noteholder for or as inducement to any consent under these Terms and Conditions, unless such consideration is offered to all Noteholders that consent at the relevant Noteholders' Meeting or in a Written Procedure within the time period stipulated for the consideration to be payable or the time period for replies in the Written Procedure, as the case may be.
- (m) A matter decided at a duly convened and held Noteholders' Meeting or by way of Written Procedure is binding on all Noteholders, irrespective of them being present or represented at the Noteholders' Meeting or responding in the Written Procedure. The Noteholders that have not adopted or voted for a

decision shall not be liable for any damages that this may cause other Noteholders.

- (n) All costs and expenses incurred by the Issuer or the Agent for the purpose of convening a Noteholders' Meeting or for the purpose of carrying out a Written Procedure, including reasonable fees to the Agent, shall be paid by the Issuer only if and to the extent it has received an amount equal to such amount under the ECL Cost Coverage Agreement for the purpose of payment of these costs. The Agent shall for the avoidance of doubt be allowed to satisfy such expenses out of the Transaction Security.
- (o) If a decision shall be taken by the Noteholders on a matter relating to the Finance Documents, the Issuer shall promptly at the request of the Agent provide the Agent with a certificate specifying the number of Notes owned by (to the knowledge of the Issuer) ECL and its Affiliates, irrespective of whether such person is directly registered as owner of such Notes. The Agent shall not be responsible for the accuracy of such certificate or otherwise be responsible to determine whether a Note is owned by ECL or its Affiliates.
- (p) Information about decisions taken at a Noteholders' Meeting or by way of a Written Procedure shall promptly be sent by notice to the Noteholders and published on the websites of ECL and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Noteholders' Meeting or Written Procedure shall at the request of a Noteholder be sent to it by the Issuer or the Agent, as applicable.

18. Noteholders' Meeting

- (a) The Agent shall convene a Noteholders' Meeting by sending a notice thereof to each Noteholder no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons).
- (b) Should the Issuer want to replace the Agent, it may convene a Noteholders' Meeting in accordance with Clause 18(a) with a copy to the Agent. After a request from the Noteholders pursuant to Clause 21.4(c), the Issuer shall no later than five (5) Business Days after receipt of such request (or such later date as may be necessary for technical or administrative reasons) convene a Noteholders' Meeting in accordance with Clause 18(a).
- (c) The notice pursuant to Clause 18(a) shall include (i) time for the meeting, (ii) place for the meeting, (iii) agenda for the meeting (including each request for a decision by the Noteholders) and (iv) a form of power of attorney. Only matters that have been included in the notice may be resolved upon at the Noteholders' Meeting. Should prior notification by the Noteholders be required in order to attend the Noteholders' Meeting, such requirement shall be included in the notice.
- (d) The Noteholders' Meeting shall be held no earlier than five (5) Business Days and no later than fifteen (15) Business Days from the notice.

- (e) Without amending or varying these Terms and Conditions, the Agent may prescribe such further regulations regarding the convening and holding of a Noteholders' Meeting as the Agent may deem appropriate. Such regulations may include a possibility for Noteholders to vote without attending the meeting in person.

19. Written Procedure

- (a) The Agent shall instigate a Written Procedure (which may be conducted electronically in a manner determined by the Agent) no later than five (5) Business Days after receipt of a request from the Issuer or the Noteholder(s) (or such later date as may be necessary for technical or administrative reasons) by sending a communication to each such person who is registered as a Noteholder on the Business Day prior to the date on which the communication is sent.
- (b) Should the Issuer want to replace the Agent, it may send a communication in accordance with Clause 19(a) to each Noteholder with a copy to the Agent.
- (c) A communication pursuant to Clause 19(a) shall include (i) each request for a decision by the Noteholders, (ii) a description of the reasons for each request, (iii) a specification of the Business Day on which a person must be registered as a Noteholder in order to be entitled to exercise voting rights, (iv) instructions and directions on where to receive a form for replying to the request (such form to include an option to vote yes or no for each request) as well as a form of power of attorney, and (v) the stipulated time period within which the Noteholder must reply to the request (such time period to last at least five (5) Business Days from the communication pursuant to Clause 19(a)). If the voting shall be made electronically, instructions for such voting shall be included in the communication.
- (d) When the requisite majority consents of the total Adjusted Nominal Amount pursuant to Clauses 17(f) and 17(g) have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 17(f) or 17(g), as the case may be, even if the time period for replies in the Written Procedure has not yet expired.

20. Amendments and Waivers

- (a) The Issuer and the Agent (acting on behalf of the Noteholders) may agree to amend the Finance Documents or waive any provision in a Finance Document, provided that:
 - (i) The Agent is satisfied that such amendment or waiver is not detrimental to the interest of the Noteholders;
 - (ii) Such amendment or waiver is made solely for the purpose of rectifying obvious errors and mistakes;
 - (iii) such amendment or waiver is required by applicable law, a court ruling or a decision by a relevant authority; or

- (iv) such amendment or waiver has been duly approved by the Noteholders in accordance with Clause 17 (*Decisions by Noteholders*) and the Agent has received any conditions precedent specified for the effectiveness of the approval by the Noteholders.
- (b) The consent of the Noteholders is not necessary to approve the particular form of any amendment to the Finance Documents. It is sufficient if such consent approves the substance of the amendment.
- (c) The Agent shall promptly notify the Noteholders of any amendments or waivers made in accordance with Clause 20(a), setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to the Finance Documents are published in the manner stipulated in Clause 10.3 (*Publication of Finance Documents*). The Issuer shall ensure that any amendments to the Finance Documents are duly registered with the CSD and each other relevant organisation or authority.
- (d) An amendment to the Finance Documents shall take effect on the date determined by the Noteholders Meeting, in the Written Procedure or by the Agent, as the case may be.

21. Appointment and Replacement of the Agent

21.1 Appointment of Agent

- (a) By receiving the Notes, each initial Noteholder appoints the Agent to act as its agent in all matters relating to the Notes and the Finance Documents (including to act as Security Agent), and authorises the Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Notes held by such Noteholder including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security.
- (b) By acquiring Notes, each subsequent Noteholder confirms the appointment and authorisation for the Agent and the Security Agent to act on its behalf, as set forth in Clause 21.1(a).
- (c) Each Noteholder shall immediately upon request provide the Agent and the Security Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent or the Security Agent, as applicable), that the Agent deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents. Neither the Agent nor the Security Agent is under any obligation to represent a Noteholder which does not comply with such request.
- (d) The Issuer shall promptly upon request provide the Agent and the Security Agent with any documents and other assistance (in form and substance satisfactory to the Agent or the Security Agent, as applicable), that the Agent or the Security

Agent, as applicable deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents.

- (e) The Agent is entitled to fees for its work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents and the Agency Agreement and the Agent's obligations as Agent under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.
- (f) The Agent may act as agent or trustee for several issues of securities issued by or relating to the Issuer and its Affiliates notwithstanding potential conflicts of interest.

21.2 Duties of the Agent

- (a) The Agent shall represent the Noteholders in accordance with the Finance Documents, including, *inter alia*, holding the Transaction Security pursuant to the Security Documents and the Parallel Debt Agreement on behalf of the Noteholders and, where relevant, enforcing the Transaction Security on behalf of the Noteholders. However, the Agent is not responsible for the execution or enforceability of the Finance Documents or the perfection of the Transaction Security.
- (b) When acting in accordance with the Finance Documents, the Agent is always acting with binding effect on behalf of the Noteholders. The Agent is not acting as an advisor (whether legal, financial or otherwise) to the Noteholders or any other person and no opinion or advice by the Agent will be binding on the Noteholders.
- (c) The Agent is entitled to delegate its duties to other professional parties, but the Agent shall remain liable for the actions of such parties under the Finance Documents
- (d) The Agent shall treat all Noteholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Noteholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other person, other than as explicitly stated in the Finance Documents.
- (e) The Agent is entitled to engage external experts when carrying out its duties under the Finance Documents. The Issuer shall on demand by the Agent pay all costs for external experts engaged after the occurrence of an Event of Default, or for the purpose of investigating or considering (i) an event which the Agent reasonably believes is or may lead to an Event of Default or (ii) a matter relating to the Issuer or the Transaction Security which the Agent reasonably believes may be detrimental to the interests of the Noteholders under the Finance Documents. Any compensation for damages or other recoveries received by the Agent from external experts engaged by it for the purpose of carrying out its duties under the Finance Documents shall be distributed in accordance with Clause 15 (*Distribution of Proceeds*).

- (f) Notwithstanding any other provision of the Finance Documents to the contrary, the Agent is not obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (g) The Agent is not obligated to assess or monitor the financial condition of the Issuer or compliance by the Group with the terms of the Finance Documents (unless to the extent expressly set out in the Finance Documents).
- (h) If in the Agent's reasonable opinion the cost, loss or liability which it may incur (including reasonable fees to the Agent) in complying with instructions of the Noteholders, or taking any action at its own initiative, will not be covered by the Issuer, or the Noteholders (as applicable) the Agent may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- (i) The Agent's duties under these Terms and Conditions are solely mechanical and administrative in nature and the Agent only acts in accordance with these Terms and Conditions and upon instructions from the Noteholders, unless otherwise set out in these Terms and Conditions. In particular, the Agent is not acting as an advisor (whether legal, financial or otherwise) to the Noteholders or any other person.
- (j) Other than as specifically set out in the Finance Documents, the Agent shall not be bound to monitor (i) whether any Event of Default has occurred, (ii) the performance, default or any breach by the Issuer of its obligations under the Finance Documents, or (iii) whether any other event specified in any Finance Document has occurred. Should the Agent not receive such information, the Agent is entitled to assume that no such event or circumstance exists or can be expected to occur, provided that the Agent does not have actual knowledge of such event or circumstance.
- (k) The Agent shall only have to examine the face of documents and information delivered to it and shall not be liable to the Noteholders for damage due to any such documents and information not being accurate, correct and complete and, as applicable, duly authorised, executed, legally valid, binding and enforceable.
- (l) The Agent shall give a notice to the Noteholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or the Agency Agreement or (ii) if it refrains from acting for any reason described in Clause 21.2(h).
- (m) Unless it has actual knowledge to the contrary, the Agent may assume that all information provided by or on behalf of the Issuer (including by its advisors) is correct, true and complete in all aspects.

21.3 Limited liability for the Agent

- (a) The Agent will not be liable to the Noteholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. The Agent shall never be responsible for indirect loss.
- (b) The Agent shall not be considered to have acted negligently if it has acted in accordance with advice from or opinions of reputable external experts engaged by the Agent or if the Agent has acted with reasonable care in a situation when the Agent considers that it is detrimental to the interests of the Noteholders to delay the action in order to first obtain instructions from the Noteholders.
- (c) The Agent shall not be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by the Agent to the Noteholders, provided that the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- (d) The Agent shall have no liability to the Noteholders for damage caused by the Agent acting in accordance with instructions of the Noteholders given in accordance with Clause 17 (*Decisions by Noteholders*) or a demand by Noteholders given pursuant to Clause 12.11.
- (e) Any liability towards the Issuer which is incurred by the Agent in acting under, or in relation to, the Finance Documents shall not be subject to set-off against the obligations of the Issuer to the Noteholders under the Finance Documents.
- (f) The Agent is not liable for information provided to the Noteholders by or on behalf of the Issuer or by any other person.

21.4 Replacement of the Agent

- (a) Subject to Clause 21.4(f), the Agent may resign by giving notice to the Issuer, the Noteholders, in which case the Noteholders shall appoint a successor Agent at a Noteholders' Meeting convened by the retiring Agent or by way of Written Procedure initiated by the retiring Agent.
- (b) Subject to Clause 21.4(f), if the Agent is Insolvent, the Agent shall be deemed to resign as Agent and the Issuer shall within ten (10) Business Days appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- (c) A Noteholder (or Noteholders) representing at least ten (10) per cent. of the Adjusted Nominal Amount may, by notice to the Issuer (such notice may only be validly given by a person who is a Noteholder on the Business Day immediately following the day on which the notice is received by the Issuer and shall, if given by several Noteholders, be given by them jointly), require that a Noteholders' Meeting is held for the purpose of dismissing the Agent and appointing a new

Agent. The Issuer may, at a Noteholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Noteholders that the Agent be dismissed and a new Agent appointed.

- (d) If the Noteholders have not appointed a successor Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent was dismissed through a decision by the Noteholders, the Issuer shall appoint a successor Agent which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- (e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (f) The Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and acceptance by such successor Agent of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent.
- (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent. Its successor, the Issuer and each of the Noteholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent.
- (h) In the event that there is a change of the Agent in accordance with this Clause 21.4, the Issuer shall execute such documents and take such actions as the new Agent may reasonably require for the purpose of vesting in such new Agent the rights, powers and obligation of the Agent and releasing the retiring Agent from its further obligations under the Finance Documents and the Agency Agreement. Unless the Issuer and the new Agent agrees otherwise, the new Agent shall be entitled to the same fees and the same indemnities as the retiring Agent.

22. Appointment and Replacement of the Issuing Agent

- (a) The Issuer appoints the Issuing Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Notes.
- (b) The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is Insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace

the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

23. Appointment and Replacement of the Paying Agent

- (a) The Issuer appoints the Paying Agent to manage certain specified tasks under these Terms and Conditions and in accordance with the legislation, rules and regulations applicable to and/or issued by the CSD and relating to the Notes.
- (b) The Paying Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Paying Agent at the same time as the old Paying Agent retires or is dismissed. PART B - INDEPENDENT BOARD REPORT

1 INTRODUCTION

This report ("**Report**") contains the views of the independent board of the Company ("**Independent Board**") in relation to the Scheme proposed in *Part A* of this Circular.

2 COMPOSITION OF THE INDEPENDENT BOARD

The Independent Board comprises the following directors :

Director	Age	Business Address
Ralph Rowland Buddle	57	12 Esplanade Road, Quigney, East London, 5201, Eastern Cape
Derrick Thembinkosi Vusumuzi Msibi	54	12 Esplanade Road, Quigney, East London, 5201, Eastern Cape
Lindiwe Evarista Mthimunye	50	12 Esplanade Road, Quigney, East London, 5201, Eastern Cape
Poovendhri Viranna	49	12 Esplanade Road, Quigney, East London, 5201, Eastern Cape

3 APPOINTMENT OF INDEPENDENT EXPERT

The Independent Board has, in conformity with the applicable requirements of Regulation 90 of the Takeover Regulations, appointed BDO Corporate Finance as the Independent Expert to provide the Independent Board with its opinion as to whether the terms of the Scheme are fair and reasonable to the Securities Holders.

4 OPINION OF THE INDEPENDENT EXPERT

On 20 December 2023, the Independent Expert delivered to the Independent Board an opinion to the effect that, as of the date of the opinion, and based upon and subject to the factors and assumptions detailed therein, the terms and conditions of the Scheme, and in particular, the Scheme Allocation are fair and reasonable to the Securities Holders for the reasons set out therein. A copy of the opinion is annexed hereto as **Appendix A**.

5 VIEWS OF THE INDEPENDENT BOARD

- 5.1 The Independent Board has valued the Company using the consolidated net asset value of the Company as determined in the most recent audited annual financial statements ("AFS"), being an amount of R486,715,964 ("**NAV**"). The net asset value was deemed appropriate for purposes of valuing the Company as the company's productive assets are effectively valued using the present value of future cash flows which have been audited by the groups external auditors as part of the finalisation of the AFS. In addition, a percentage of NAV is regularly used to value the equity of companies of this nature, adjusted for the specific circumstances relating to the requirements for the valuation.

- 5.2 Based on a range of values linked to the NAV, the Independent Board then performed a valuation of the Scheme Securities, as required by Regulation 110(3)(a) of the Companies Regulations, taking into account the views expressed in the Independent Expert Report. As the Independent Expert determined that the Scheme Allocation is fair and reasonable the Independent Board has applied the distribution percentage of each Class of Scheme Securities (as outlined in paragraph **Error! Reference source not found.** above) to the NAV in order to determine the fair value range in respect of each Class of Scheme Securities.
- 5.3 Based on the above exercise, the Independent Board has determined the fair value range in respect of each Class of Scheme Securities prior to implementation of the Scheme as set out in the following Table:

Class of Scheme Securities	Total Value of the Class (Low)	Total Value of the Class (High)	Midpoint of the Value Range
E PIK Notes	200,648,657	401,297,313	300,972,985
D PIK Notes	16,012,955	32,025,910	24,019,433
C1 Preference Shares	8,779,427	17,558,854	13,169,141
C2 Preference Shares	2,293,361	4,586,722	3,440,042
B Preference Shares	4,283,100	8,566,201	6,424,651
A Ordinary Shares	9,271,939	18,543,878	13,907,909
Ordinary Shares	2,068,543	4,137,086	3,102,814
	243,357,982	486,715,964	365,036,975

- 5.4 Based on a Company valuation of R365,036,975 (determined in relation to the midpoint NAV), the value of a single Ordinary Share after implementation of the Scheme (but prior to the proposed Consolidation) would be R0.03. The total number of Ordinary Shares to be held by each Securities Holder post implementation of the Scheme (Pre-consolidation) is set out in Appendix 1 to the Circular (Part A). The effect of the Consolidation on the ordinary shareholding of each Securities Holder post implementation of the Scheme is then set out in Appendix 2 to the Circular (Part A). The Independent Board agrees with the view expressed in the Independent Expert's Report that the effect of the Consolidation has a negligible impact, and therefore it is considered fair and reasonable.
- 5.5 In order to express an opinion as to the fairness and reasonableness of the Scheme, the Independent Board then compared the midpoint value in respect of the Scheme Securities held by each Scheme Participant with the value of the Ordinary Shares to be issued to that Scheme Participant in terms of the Scheme. The results of that comparison are set out in **Appendix B** hereto.
- 5.6 For purposes of expressing a view as to the fairness of the Scheme, the Independent Board did not identify any factors that are difficult to quantify or unquantifiable.
- 5.7 Based on the above calculations and having considered the opinion of the Independent Expert, the Independent Board is unanimously of the opinion that the Scheme is fair and reasonable to the Securities Holders.
- 5.8 As at the Last Practicable Date, the Independent Board has not received any other offers, as contemplated in section 117(1)(f) of the Companies Act.
- 5.9 The Independent Board has no objection to the Scheme or to the statements contained in Part A of this Circular insofar as they pertain to the Company.

6 DIRECTORS INTEREST IN THE SCHEME

- 6.1 As indicated in *Part A* of the Circular, Neil Grobbelaar is an indirect shareholder in the Company through Rivendale Investments (Pty) Ltd which holds 3,572 Ordinary Shares in the Company.
- 6.2 Although they have no beneficial interest in the Company, Peter Gerard de Beyer and Norman William Thomson are both trustees of the Management Incentive Trust ("**the Management**

Trustees") which holds 18,029,362 A Ordinary Shares for the benefit of management of the Company.

- 6.3 Save as set out in 6.1 and 6.2 above, no Directors of the Company will benefit directly or indirectly in any manner as a consequence of the implementation of the Scheme.

7 INTENDED ACTION OF THE COMPANY DIRECTORS

The Independent Board has been advised that Neil Grobbelaar and the Management Trustees intend voting in favour of the Scheme in respect of the Scheme Securities they hold.

8 INDEPENDENT BOARD'S RECOMMENDATION

- 8.1 The Independent Board has considered the terms and conditions of the Scheme and has considered the Resolutions set out in the Notice of Combined General Meeting and of each Special Class Meeting and is of the opinion that the Scheme is fair and reasonable to the Securities Holders
- 8.2 The Independent Board unanimously recommends that Scheme Participants vote in favour of the Resolutions to be proposed at the Meetings.

9 CONSENTS

The Independent Expert has consented in writing to act in the capacity stated in this document and to their name being included in this document. They have consented also to reference to their report in the form and context in which it appears and have not withdrawn their consent prior to the publication of this Circular.

10 COSTS OF THE SCHEME

The Company shall pay the costs of the Scheme, including the costs of publishing and distributing this document and any directly related costs such as the fees levied by the TRP. In this regard, reference is made to paragraph 7.2 in *Part A* of the Circular.

11 DIRECTORS' RESPONSIBILITY STATEMENT

Independent expert report required in terms of the Companies Act and Companies Regulations

The Scheme is an affected transaction as defined in Section 117(1)(c) of the Companies Act. In terms of Section 114(2) of the Companies Act, as read with Regulation 90 and 110 of the Companies Regulations, the Independent Board is required to retain an independent expert to provide an independent expert report (in the form of a fair and reasonable opinion) in terms of section 114(3) of the Companies Act and Regulation 90 and 110 of the Companies Regulations, with regards to the Scheme (the “Fair and Reasonable Opinion”).

BDO Corporate Finance Proprietary Limited (“BDO Corporate Finance” or “Independent Expert”) has been appointed as the independent expert by the Independent Board to assess the Scheme as required in terms of section 114 of the Companies Act and Regulation 90 and 110 of the Companies Regulations and provide the Fair and Reasonable Opinion. The Fair and Reasonable Opinion set out herein is provided to the Independent Board for the sole purpose of assisting the Independent Board in forming and expressing an opinion on the Scheme for the benefit of Scheme Participants.

Responsibility

Compliance with the Companies Act and the Companies Regulations is the responsibility of the Board and Independent Board. Our responsibility is to report to the Independent Board on whether the terms and conditions of the Scheme are fair and reasonable to Scheme Participants.

Definition of the terms “fair” and “reasonable” applicable in the context of the Scheme

The “fairness” of a transaction is primarily based on quantitative issues. A transaction will generally be considered to be fair to a company’s shareholders if the benefits received, as a result of the transaction, are equal to or greater than the value given up.

An offer may generally be considered to be fair to shareholders if the offer consideration is equal to or greater than the fair value of an offer share, or not fair if the offer consideration is less than the fair value of an offer share. Furthermore, in terms of regulation 110(8) of the Companies Regulations, an offer with a consideration per offeree regulated company security within the fair-value range is generally considered to be fair.

The assessment of reasonableness of an offer is generally based on qualitative considerations surrounding an offer. Hence, even though the consideration to be paid in respect of an offer may be lower than the market price, an offer may be considered reasonable after considering other significant qualitative factors.

There are no Scheme Securities that are directly held by Directors subsequent to the implementation of the Scheme therefore no effect on the Directors contemplated in paragraph (e).

f. and include a copy of sections 115 and 164

Extracts of sections 115 and 164 of the Companies Act are set out in Appendix B and Appendix C respectively of the Circular and are incorporated herein by reference for purposes of section 114(3)(g) of the Companies Act.

Fairness and reasonableness of the Scheme

In terms of Regulation 110(3), as the Independent Board has elected to perform its own valuation, we as the Independent Expert are required only to prepare a report as contemplated in section 114(3) of the Companies Act.

An independent expert valuation on the value of the Scheme Securities is redundant in the case of the Scheme as the securities are being exchanged for alternative securities in the same company with no adjustment to the Scheme Participants economic participation. There is no exchange of value between the Company and the Scheme Participants and the economic participation attributable to Scheme Participants remains the same before and after the Scheme. As such, we have not performed a valuation and place significant emphasis on the Scheme Allocation.

In terms of the corresponding rights and privileges as set out in the Memorandum of Incorporation for the Scheme Shares and the applicable terms and conditions attached to the Scheme Notes, the Board is required to determine the amount available for distribution to the Shareholders from time to time ("Distributable Amount"). Upon determination of the Distributable Amount, the Shareholders are entitled to receive a portion of that Distributable Amount in accordance with the percentages set out in the below table, on the basis that, for so long as there are E PIK Notes in issue the Distributable Amount will be distributed in accordance with the first Cashflow Waterfall. Thereafter, for so long as there are D PIK Notes in issue the Distributable Amount will be distributed in accordance with the second Cashflow Waterfall, and so on and so forth until only the Ordinary Shares and A Ordinary Shares remain in issue (at which time and whereafter the fifth Cashflow Waterfall will apply), however, in the event of a liquidation, E PIK Notes will receive 100% of the Distributable Amount, if any ("Cashflow Waterfall"):

Cashflow Waterfall					
Class of Scheme Securities:	1st	2nd	3rd	4th	5th
E PIK Notes and A Ordinary Shares (3%)	85%	0%	0%	0%	0%
D PIK Notes and A Ordinary Shares (6%)	7%	85%	0%	0%	0%
C Preference Shares and A Ordinary Shares (9%)	5%	7%	85%	0%	0%
B Preference Shares and A Ordinary Shares (12%)	2%	5%	10%	85%	0%
Ordinary Shares and A Ordinary Shares (15%)	1%	3%	5%	15%	100%

The Scheme Allocation based on the economic participation of each class of Scheme Securities is determined in accordance with the Cashflow Waterfall above, and based on the securities held as at 30 November 2023, the distribution percentage would be as follows:

Economic participation schedule	
Class of Scheme Securities	Economic participation
E PIK Notes	82.45%
D PIK Notes	6.58%
C Preference Shares	4.55%
B Preference Shares	1.76%
A Ordinary Shares	3.81%
Ordinary Shares	0.85%

In terms of the Scheme, Scheme Participants will exchange their Scheme Securities (other than Ordinary Shares) for Ordinary Shares in accordance with the Scheme Allocation and the following exchange process:

- I. all Scheme Notes shall be deemed to have been redeemed and cancelled; and
- II. all Scheme Shares (other than Ordinary Shares) shall be surrendered and cancelled as authorised and issued shares in the capital of the Company.

Following the determination of the allocation to each Scheme Participant, the Ordinary Shares of the Company will be consolidated on the basis that each Scheme Participant will, after implementation of the Consolidation, receive 1 Ordinary Share for each 1,000 Ordinary Shares held by that Scheme Participant prior to the Consolidation. A consolidated Scheme Allocation Schedule, reflecting the number of Ordinary Shares to be held by each Scheme Participant after implementation of the Scheme and the Consolidation is detailed in Appendix 2 of the Circular (“Consolidated Scheme Allocation Schedule”).

Scheme Allocation issue

Based on the number of Ordinary Shares in issue, prior to the Scheme, which have an economic participation of 0.85% in terms of Cashflow Waterfall, this implies that the total number of Ordinary Shares required is 12,019,930,471 (102,169,409 divided by 0.85%). Each Scheme Participant will be allocated their share of the 12,019,930,471 Ordinary Shares based on the economic participation, as noted in the economic participation schedule above, of each class of Scheme Security and each Scheme Participant's share in the particular Scheme Security. The shareholding per Scheme Security would therefore be as follows:

Scheme Securities	Economic Participation	Total securities in issue (pre-Scheme)	Number of Ordinary Shares to be issued in exchange	Ordinary Shares in issue (Pre-Consolidation)	Ordinary Shares in issue (Post-Consolidation)
Ordinary Shares	0.85%	102,169,409	Nil	12,019,930,471	12,019,932
A Ordinary Shares	3.81%	18,029,362	457,959,351	-	-
B Preference Shares	1.76%	104,217	211,550,776	-	-
C Preference Shares	4.55%	43,671	546,906,836	-	-
D PIK Notes	6.58%	10,176,605,044	790,911,425	-	-
E PIK Notes	82.45%	53,599,511,193	9,910,432,673	-	-
Total Ordinary Shares	100%	102,169,409	11,917,761,062	12,019,930,471	12,019,932
