

To the bondholders of:

ISIN: NO0010851520, USD 165,229,319, Norwegian Energy Company ASA 19/27 8.00% subordinated convertible bond issue

Oslo 8 December 2022

Notice to bondholders

Oslo, 8 December 2022: Reference is made to the written resolution of 8 November 2022 where the requisite bondholders had resolved and approved the contemplated amendments (“Amendments”) to the Company’s outstanding USD 165,229,319 2019/2027 convertible bond loan with ISIN NO0010851520 issued by Noreco and listed on Oslo Børs (“NOR13”).

Reference is also made to the stock exchange notice published by Noreco on 29 November 2022 where Noreco announced that it had received a temporary injunction from the Oslo district court (Nw. *Oslo tingrett*) that restricts Noreco and Nordic Trustee AS from implementing the Amendments to the Bond Terms for NOR13 (the “Ruling”) following a claim from minority bondholders Gertjan Koomen and Astaris Special Situations Master Fund Limited in NOR13. As previously announced, the Company is of the view that the claims are baseless and without merit. Noreco continues to be focused on ensuring its capital structure is at all times set for current and future priorities, this includes being reflective of the Company’s intention to contribute to energy security in Europe at the same time as value is created for all its stakeholders.

New NOR15 bonds

Noreco has proposed to issue a new subordinated convertible bond (“NOR15”) on the terms and conditions as per the attached bond terms (“NOR15 Bond Terms”). The NOR15 Bond Terms are similar to the proposed Amendments to the NOR13 bonds that were attached to the original summons, except that inter alia a tap issue mechanism has been included. NOR15 bonds are proposed to be issued through an exchange offer (the “Exchange Offer”) whereby existing bondholders in NOR13 may exchange NOR13 bonds for new NOR15 bonds at a certain ratio consistent with that originally proposed for compensation bonds in the original summons, and a maximum total principal amount of USD 226,578,965.

More than 2/3 of the NOR13 bonds have pre-accepted to exchange their NOR13 bonds into NOR15 bonds, subject to completion of the conditions for issuing NOR15.

Pursuant to the Exchange Offer:

- (i) The Company will offer all existing bondholders in NOR13 to exchange their bonds in NOR13 for new bonds in the proposed new NOR15 whereby 1 NOR13 bond entitles 1.3713 NOR15 bonds.
- (ii) Accrued and unpaid interest for NOR13 bonds exchanged to NOR15 bonds will be compensated in full on the first interest payment date (in January 2023) 1:1 by the issuance of bonds in NOR15.
- (iii) The issue date for NOR15 bonds is expected to be 30 December 2022, subject to fulfilment of certain conditions for completion.

- (iv) The Exchange Offer can only be accepted in the period from 7 December 2022 until 21 December 2022 at 16:00 Oslo time (subject to any extension of this Exchange Offer acceptance period by the Company).
- (v) The Exchange Offer can only be accepted by NOR13 bondholders completing the attached Exchange Offer acceptance form and submit such completed form so that it is received by Arctic Securities AS or Pareto Securities AS within the above-mentioned Exchange Offer acceptance period.

NOR13 bondholders wanting to accept the Exchange Offer are encouraged to contact Arctic Securities AS or Pareto Securities AS.

Completion of the Exchange Offer and issue of NOR15 bonds are subject to, inter alia, approval by a shareholders' meeting in Noreco.

The board of directors of Noreco has therefore called for an extraordinary general meeting to be held on 28 December 2022 ("EGM"), for shareholders to approve the issue of NOR15 and the NOR15 Bond Terms. Please refer to the separate stock exchange notice published 7 December 2022 by Noreco on the Company's ticker "NOR" for further information about the EGM.

NOR15 bonds are expected to be sought to be listed on Oslo Børs, subject to approval by Oslo Børs and approval by the Norwegian Financial Supervisory Authority of a prospectus for any such listing. For further information relating to NOR15 and the Exchange Offer, please refer to the appendices to this stock exchange notice.

Existing NOR13 bonds

As announced on 29 November 2022, and due to the Ruling, the Amendments under NOR13 will not become effective until the Ruling has been lifted. This means that the compensation bonds will not be issued and the timeline, record dates and settlement mechanics related to the Amendments as included in the stock exchange announcement by Noreco on 21 November 2022 will not apply until further notice. The bondholders under NOR13 who have provided the paying agent with conversion notices conditional upon the EGM resolving the Amendments, will (unless such conversion notices are revoked by the relevant bondholder) retain their conditional conversion notices in escrow with the paying agent pending the conditions in the EGM resolution being lifted and the resolution thereby becoming effective. A new timeline for announcing the effective time will in such event be provided in due course. For the sake of good order, NOR13 bondholders who have delivered a conditional conversion notice but instead choose to subscribe for NOR15 bonds pursuant to the Exchange Offer, will have to explicitly revoke such conditional conversion notices under NOR13 when tendering NOR13 bonds in exchange of NOR15 bonds.

The existing bond terms for NOR13 apply until and subject to the Amendments becoming effective after the Ruling is lifted. All NOR13 bondholders are advised that due to appeal possibilities, a certain timeline for a final outcome of the pending court case cannot be provided at this point in time.

Background: We refer to the stock exchange notice from the Company dated 7 December 2022 (the “**Stock Exchange Notice**”) As stated in the Stock Exchange Notice, the Company proposes to issue a new subordinated convertible bond in the form of the Exchange Offer (as defined below).

Exchange Offer:

- The Company hereby offers all existing bondholders in the Company's subordinated convertible bond issue with ISIN NO 0010851520 (“**NOR13**”) to exchange their bonds in NOR13 (the “**NOR13 Bonds**”) for new bonds in the Company's proposed issue of subordinated convertible bonds with ISIN NO NO0012780867 (“**NOR15**”) on the terms and conditions set forth below (the “**Exchange Offer**”).
- The Exchange Offer is an exchange offer, whereby all holders of NOR13 Bonds (the “**NOR13 Bondholders**” or “**Bondholders**”) are offered to exchange their NOR13 Bonds against new bonds in NOR15 (“**NOR15 Bonds**”) on a 1:1.3713 basis (the “**Bond Exchange**”). Up until the first interest payment date on 26 January 2023, the NOR15 Bonds will be split in two ISINs, one ISIN for the existing outstanding amount that will bear interest from 26 July 2022 (exchange ratio of 1:1.0000) and one ISIN (ISIN NO0012780875) with the compensation bonds that will carry interest from the Issue Date (exchange ratio 1:0.3713).
- The issue date for the NOR15 Bonds is expected to be 30 December 2022 (the “**Issue Date**”).

Technically, the Bond Exchange will be carried out as an application for NOR15 Bonds by completing this exchange offer form (the “**Bondholders Exchange Offer Form**”) to the Managers with settlement of the NOR15 Bonds in kind by delivery of NOR13 Bonds. The bond terms for the NOR15 Bonds (the “**NOR15 Bond Terms**”) will be similar to the proposed amendments to the NOR13 Bonds as previously resolved under a written resolution by the NOR13 Bondholders on 8 November 2022, except that a tap issue mechanism has been included in order to cater for a more flexible settlement mechanism.

The proposed NOR15 Bond Terms are attached to this Bondholders Exchange Offer Form.

By submitting to the Managers before 16:00 CET 21 December 2022, the NOR13 Bondholder (being the legal owner of NOR13 Bonds) irrevocably commits itself to exchange NOR13 Bonds to NOR15 Bonds in accordance with the ratio set out for the Bond Exchange. Once a duly executed Bondholders Exchange Offer Form has been submitted, the Exchange Offer is binding and irrevocable for the NOR13 Bondholder until the Company's deadline for acceptance at 16:30 CET 23 December 2022, and may until such time not be withdrawn or modified or altered by the NOR13 Bondholder, and each such NOR13 Bondholder shall not enter into any agreement(s) to sell, assign, sub-participate, transfer an interest in, grant any option over or otherwise dispose of or charge all or any of its NOR13 Bonds or any interest in all or any thereof until the Bond Exchange is completed and NOR15 Bonds have been received. The number of NOR15 Bonds delivered to each new NOR15 bondholders under the Bond Exchange will be rounded downwards to the nearest whole number of NOR15 Bonds resulting from the NOR13 Bonds offered in the Bond Exchange by such NOR13 Bondholder. The Company is under no obligation to accept any Exchange Offer from any NOR13 Bondholder.

Completion of the Bond Exchange and occurrence of the Issue Date is conditional upon a resolution by the general meeting of the Company, expected to be held on or about 28 December 2022, finalization of documentation, and other customary conditions for establishment of a convertible bond issue.

If the Company accepts the NOR13 Bondholder's Exchange Offer, the NOR13 Bonds will be transferred to the Company based on the NOR13 Bondholder's instructions to the Managers in this Bondholder Exchange Offer Form (and without obtaining any further instructions from the NOR13 Bondholder). 8. PAYMENTS IN RESPECT OF THE BONDS

8.1 Covenant to pay

- (a) The Issuer will unconditionally make available to or to the order of the Bond Trustee and/or the Paying Agent all amounts due on each Payment Date pursuant to the terms of these Bond Terms at such times and to such accounts as specified by the Bond Trustee and/or the Paying Agent in advance of each Payment Date or when other payments are due and payable pursuant to these Bond Terms.
- (b) All payments to the Bondholders in relation to the Bonds shall be made to each Bondholder registered as such in the CSD at the Relevant Record Date, by, if no specific order is made by the Bond Trustee, crediting the relevant amount to the bank account nominated by such Bondholder in connection with its securities account in the CSD.
- (c) Payment constituting good discharge of the Issuer's payment obligations to the Bondholders under these Bond Terms will be deemed to have been made to each Bondholder once the amount has been credited to the bank holding the bank account nominated by the Bondholder in connection with its securities account in the CSD. If the paying bank and the receiving bank are the same, payment shall be deemed to have been made once the amount has been credited to the bank account nominated by the Bondholder in question.
- (d) If a Payment Date or a date for other payments to the Bondholders pursuant to the Finance Documents falls on a day on which either of the relevant CSD settlement system or the relevant currency settlement system for the Bonds are not open, the payment shall be made on the first following possible day on which both of the said systems are open, unless any provision to the contrary have been set out for such payment in the relevant Finance Document.

8.2 Default interest

- (a) Default interest will accrue on any Overdue Amount from and including the Payment Date on which it was first due to and excluding the date on which the payment is made at the Interest Rate plus 3 percentage points per annum.
- (b) Default interest accrued on any Overdue Amount pursuant to this Clause 8.2 (*Default interest*) will be added to the Overdue Amount on each Interest Payment Date until the Overdue Amount and default interest accrued thereon have been repaid in full.

8.3 Partial Payments

- (a) If the Paying Agent or the Bond Trustee receives a Partial Payment, such Partial Payment shall, in respect of the Issuer's debt under the Finance Documents be considered made for discharge of the debt of the Issuer in the following order of priority:
 - (i) firstly, towards any outstanding fees, liabilities and expenses of the Bond Trustee;

- (ii) secondly, towards accrued interest due but unpaid; and
 - (iii) thirdly, towards any other outstanding amounts due but unpaid under the Finance Documents.
- (b) Notwithstanding paragraph (a) above, any Partial Payment which is distributed to the Bondholders, shall, after the above mentioned deduction of outstanding fees, liabilities and expenses, be applied (i) firstly towards any principal amount due but unpaid and (ii) secondly, towards accrued interest due but unpaid, in the following situations:
 - (i) the Bond Trustee has served a Default Notice in accordance with Clause 17.2 (*Acceleration of the Bonds*), or
 - (ii) as a result of a resolution according to Clause 18 (*Bondholders' decisions*).

8.4 Taxation

- (a) The Issuer is responsible for withholding any withholding tax imposed by applicable law on any payments to be made by it in relation to the Finance Documents.
- (b) The Issuer shall, if any tax is withheld in respect of the Bonds under the Finance Documents:
 - (i) gross up the amount of the payment due from it up to such amount which is necessary to ensure that the Bondholders or the Bond Trustee, as the case may be, receive a net amount which is (after making the required withholding) equal to the payment which would have been received if no withholding had been required; and
 - (ii) at the request of the Bond Trustee, deliver to the Bond Trustee evidence that the required tax deduction or withholding has been made.
- (c) Any public fees levied on the trade of Bonds in the secondary market shall be paid by the Bondholders, unless otherwise provided by law or regulation, and the Issuer shall not be responsible for reimbursing any such fees.

8.5 Currency

- (a) All amounts payable under the Finance Documents shall be payable in the denomination of the Bonds set out in Clause 2.1 (*Amount, denomination and ISIN of the Bonds*). If, however, the denomination differs from the currency of the bank account connected to the Bondholder's account in the CSD, any cash settlement may be exchanged and credited to this bank account.
- (b) Any specific payment instructions, including foreign exchange bank account details, to be connected to the Bondholder's account in the CSD must be provided by the relevant Bondholder to the Paying Agent (either directly or through its account manager in the CSD) within 5 Business Days prior to a Payment Date. Depending on any currency exchange settlement agreements between each Bondholder's bank and the Paying Agent, and opening hours of the receiving bank, cash settlement may be delayed, and payment shall be deemed to have been made once the cash settlement has taken place, provided,

however, that no default interest or other penalty shall accrue for the account of the Issuer for such delay.

8.6 Set-off and counterclaims

The Issuer may not apply or perform any counterclaims or set-off against any payment obligations pursuant to these Bond Terms or any other Finance Document.

9. INTEREST

9.1 Calculation of interest

- (a) Subject to Clause 9.2 (c) below, each Outstanding Bond will in the period up to the Last Conversion Date accrue interest at the Interest Rate on the Nominal Amount for each Interest Period, commencing on and including the first date of the Interest Period, and ending on but excluding the last date of the Interest Period.
- (b) Each Compensation Bond will accrue interest from and including the Compensation Bonds Issue Date until the first subsequent Interest Payment Date, and thereafter in accordance with paragraph (a) above.
- (c) Any Additional Bond will accrue interest at the Interest Rate on the Nominal Amount commencing on the first date of the Interest Period in which the Additional Bonds are issued and thereafter in accordance with paragraph (a) above.
- (d) Interest shall be calculated on the basis of a 360-day year comprised of twelve months of 30 days each (30/360-days basis), adjusted in accordance with section 4.16 (f) of the 2006 ISDA Definitions.

9.2 Payment of interest

- (a) Interest shall fall due on each Interest Payment Date for the corresponding preceding Interest Period and, with respect to accrued interest on the principal amount then due and payable, on each Repayment Date.
- (b) Subject to paragraph (c) below, interest shall be settled through the issuance of Additional Bonds to the Bondholders or increase of the Nominal Amount in accordance with the applicable regulations of the CSD. Any Additional Bonds or increase of Nominal Amount will be allocated pro rata to the Bondholders, provided that the total number of Additional Bonds allocated to a Bondholder shall be rounded down to the nearest USD 1.
- (c) Notwithstanding paragraph (b) above, the Issuer may in its sole discretion elect to make an interest payment for any Interest Period in cash by notifying the Paying Agent and the Bond Trustee at least 5 Business Days prior to the applicable Interest Payment Date. For any Interest Period for which this cash payment option is exercised, the interest rate shall be equal to the Cash Interest Rate.

10. REDEMPTION AND REPURCHASE OF BONDS

10.1 Redemption of Bonds on Maturity Date

Any Outstanding Bonds not previously redeemed or converted to Shares will mature in full on the Maturity Date and shall be redeemed by the Issuer on the Maturity Date at a price equal to 100 per cent. of the Nominal Amount.

10.2 Mandatory share settlement redemption of Bonds by the Issuer

- (a) The Issuer shall, subject to not exercising the Last Conversion Call Option in paragraph (b) of Clause 10.3 (*Voluntary Early Redemption - Issuer's Call Options*), redeem all of the Outstanding Bonds (the **"Share Settlement Redemption"**) on the Last Conversion Date by giving notice to the Bond Trustee and the Bondholders (via the CSD) not more than 30 nor less than 10 calendar days prior to the Last Conversion Date.
- (b) The Issuer shall complete the Share Settlement Redemption by issuing or transferring and delivering to the relevant Bondholder such number of Shares as is determined by dividing the aggregate principal amount and accrued but unpaid interest of such Bondholder's Bonds by the Current Value in effect on the Valuation Date. Any excess amount beyond the whole number of shares covered by the bonds shall fall to the Issuer.
- (c) For the purpose of this Clause 10.2:

"Valuation Date" means the date falling 3 Dealing Days prior to the Last Conversion Date.

"Current Value" in respect of a Share on the Valuation Date shall mean 99 per cent of the average of the Volume Weighted Average Price of the Share for the 20 consecutive Dealing Days ending on the Valuation Date, translated into USD using the Prevailing Rate.

10.3 Voluntary Early Redemption - Issuer's Call Options

- (a) The Issuer may redeem all but not only some of the Outstanding Bonds (the **"Soft Call Option"**) in cash by irrevocable written notice to the Bond Trustee on any Business Day from and including the date falling 24 months after the Issue Date at a price equal to 100 per cent. of the Nominal Amount for each redeemed Bond (plus accrued but unpaid interest up to but excluding the Call Option Repayment Date), provided that the Parity Value on each of at least twenty (20) consecutive Dealing Days ending not earlier than the Dealing Day prior to the date of the Soft Call Option notice, have exceeded USD 130,000. The exercise of the Soft Call Option by the Issuer shall not restrict the Bondholders from exercising their conversion rights under these Bond Terms.

"Parity Value" means, in respect of any Dealing Day, the USD amount calculated as follows:

$$PV = N \times VWAP$$

where:

PV: the Parity Value.

N: the number of Shares determined by dividing USD 100,000 by the Conversion Price in effect on such Dealing Day (rounded down, if necessary, to the nearest whole Share).

VWAP: the Volume Weighted Average Price of a Share on such Dealing Day (provided that if on any such Dealing Day the Shares shall have been quoted cum-Dividend or cum-any other entitlement, the closing price on such Dealing Day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Dividend or entitlement per Share as at the date of first public announcement of such Dividend or entitlement (or, if that is not a Dealing Day, the immediately preceding Dealing Day)), translated into USD at the Prevailing Rate on such Dealing Day.

- (b) Notwithstanding Clause 10.2 (*Mandatory share settlement redemption of Bonds by the Issuer*) above, the Issuer may redeem some or all of the Outstanding Bonds (the “**Last Conversion Call Option**”) in cash, by sending an irrevocable written notice to the Bond Trustee on any Business Day not being earlier than 30 calendar days and not being later than 10 calendar days prior to the Last Conversion Date, at a price equal to the higher of (i) 100 per cent. of the Nominal Amount for each redeemed Bond and (ii) the arithmetic average for the preceding 20 Dealing Days (prior to the date of the call option notice) of Last Call Parity Value (as defined below), together with all accrued and unpaid interest up to but excluding the Call Option Repayment Date. The Bondholders will not have the right to exercise their conversion rights following exercise by the Issuer of the Last Conversion Call Option, unless the Last Conversion Call Option is only exercised for some of the Outstanding Bonds, in which case the conversion right will remain effective for the Bonds that are not subject to the Last Conversion Call Option.

“**Last Call Parity Value**” means, in respect of any Dealing Day, the USD amount calculated as follows:

$$PV = N \times VWAP$$

where:

PV: the Last Call Parity Value.

N: the number determined by dividing the Nominal Amount by the Conversion Price in effect on such Dealing Day.

VWAP: the Volume Weighted Average Price of a Share on such Dealing Day (provided that if on any such Dealing Day the Shares shall have been quoted cum-Dividend or cum-any other entitlement, the closing price on such Dealing Day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Dividend or entitlement per Share as at the date of first public announcement of such Dividend or entitlement (or, if that is not a Dealing Day, the immediately preceding Dealing Day)), translated into USD at the Prevailing Rate on such Dealing Day.

- (c) Any Call Option which is exercised by the Issuer shall specify the proposed Call Option Repayment Date being (i) for the Soft Call Option, no less than 20 Business Days and no more than 30 Business Days after the date of such notice and (ii) for the Last Conversion Call Option, no less than 5 calendar days and no more than 10 calendar days after the date of such notice, but in no event after the Last Conversion Date.

10.4 Mandatory redemption option due to a Change of Control Event

- (a) Upon the occurrence of a Change of Control Event, each Bondholder will have the right, at its option (the “**Put Option**”), to either:
- (i) require that the Issuer redeems all or some of the Bonds held by that Bondholder at a price equal to 101 per cent. of the Nominal Amount (plus accrued but unpaid interest up to but excluding the Put Option Redemption Date), or
- (ii) convert its Bonds at the “**Change of Control Conversion Price**”, which shall be calculated by the Issuer as set out below, but in each case adjusted, if required by these Bond Terms, under the provisions of Clause 12 (*Conversion Terms*) or Clause 13 (*Adjustment of the Conversion Price*):

$$COCCP = \frac{[RP \times (N - n)] + [(OCP \times n)]}{N}$$

where:

COCCP: is the Change of Control Conversion Price;

RP: is the Reference Share Price;

OCP: is the current Conversion Price;

N: is the number of calendar days from (and including) the Issue Date to (but not including) the Last Conversion Date;

n: is the number of calendar days from (and including) the Issue Date to (but excluding) the date of the Change of Control Event.

- (b) The Put Option must be exercised within 60 calendar days after the Issuer has given notice to the Bond Trustee and the Bondholders that a Change of Control Event has occurred pursuant to Clause 15.3 (*Change of Control Event*) (the “**Change of Control Exercise Period**”). Once notified, the Bondholders’ right to exercise the Put Option is irrevocable and will not be affected by any subsequent events related to the Issuer.
- (c) Each Bondholder may exercise its Put Option by written notice to its account manager for the CSD, who will notify the Paying Agent of the exercise of the Put Option. The Put Option Redemption Date will be the 10th Business Day after the end of the Change of Control Exercise Period. The settlement of the Put Option will be based on each Bondholders holding of Bonds at the Put Option Redemption Date.

- (d) In the event of the conversion of Bonds pursuant to paragraph (a) (ii) above, the Issuer shall as soon as possible, but in no event later than on the Put Option Redemption Date, issue to and in the names of the relevant Bondholder the number of Shares which are necessary in order to fulfil the Issuer's obligations to issue new Shares to the relevant Bondholder pursuant to its Conversion Rights. The number of Shares required to be issued shall be determined by dividing the Nominal Amount of the Bonds by the Change of Control Conversion Price in effect on the relevant Exercise Date. For the avoidance of doubt, the provisions of Clause 12.5 (*Effectuation of Conversion Rights*) shall apply mutatis mutandis to a conversion of Bonds pursuant to this Clause.

10.5 Issuer's clean up call option

If Bonds representing more than 90 per cent. of the Bonds have been redeemed or converted into Shares, the Issuer is entitled to repurchase all the remaining Outstanding Bonds at their Nominal Amount (plus accrued unpaid interest) by notifying the remaining Bondholders. Such notice sent by the Issuer is irrevocable and shall specify the repayment date for such clean up call (a "**Clean Up Call Option Repayment Date**"), such Clean Up Call Option Repayment Date not to be earlier than 20 Business Days following such notice. Each Bondholder may, within the Conversion Period, elect to exercise its Conversion Right after having received the Issuer's clean up call notice.

10.6 Early redemption option due to a tax event

If the Issuer is or will be required to gross up any withheld tax imposed by law from any payment in respect of the Bonds under the Finance Documents pursuant to Clause 8.4 (*Taxation*) as a result of a change in applicable law implemented after these Bond Terms, the Issuer will have the right to redeem all, but not only some, of the Outstanding Bonds at a price equal to 100 per cent. of the Nominal Amount. The Issuer shall give written notice of such redemption to the Bond Trustee and the Bondholders at least 20 Business Days prior to the Tax Event Repayment Date, provided that no such notice shall be given earlier than 60 calendar days prior to the earliest date on which the Issuer would be obliged to withhold such tax were a payment in respect of the Bonds then due.

A Bondholder may, by written notice to the Issuer at any time from receipt of written notice from the Issuer in accordance with the above to and including the day falling 10 Business Days prior to the redemption date, elect that its Bonds shall not be redeemed and that the gross-up provision requiring the Issuer to pay additional amounts shall not apply in respect of any payment of interest to be made on such Bonds which falls due after the relevant redemption date.

11. PURCHASE AND TRANSFER OF BONDS

11.1 Issuer's purchase of Bonds

The Issuer may purchase and hold Bonds and such Bonds may be retained, sold or cancelled in the Issuer's sole discretion.

11.2 Restrictions

- (a) Certain purchase or selling restrictions may apply to Bondholders under applicable local laws and regulations from time to time. Neither the Issuer nor the Bond Trustee shall be responsible to ensure compliance with such laws and regulations and each Bondholder

is responsible for ensuring compliance with the relevant laws and regulations at its own cost and expense.

- (b) A Bondholder who has purchased Bonds in breach of applicable restrictions may, notwithstanding such breach, benefit from the rights attached to the Bonds pursuant to these Bond Terms (including, but not limited to, voting rights), provided that the Issuer shall not incur any additional liability by complying with its obligations to such Bondholder.

12. CONVERSION TERMS

12.1 Exercise of Conversion Rights

- (a) Each Bondholder may exercise one or more of his Conversion Right(s) at the Conversion Price at any time during the Conversion Period, provided that notification thereof is given pursuant to Clause 12.4 (*Exercise notice*).
- (b) A Conversion Right may only be exercised in respect of the whole of the Nominal Amount of a Bond.
- (c) Conversion Rights may not be exercised (i) following the giving of notice by the Bond Trustee pursuant to Clause 17.2 (*Acceleration of Bonds*) or (ii) in respect of a Bond which the relevant Bondholder has exercised its right to require the Issuer to redeem pursuant to the terms set forth in these Bond Terms.

12.2 Separation of the Conversion Right

The Conversion Right cannot be separated from the Bond.

12.3 Number of Shares issued

The number of Shares to be issued on exercise of a Conversion Right shall be determined by dividing the Nominal Amount of the relevant Bond or Bonds by the Conversion Price in effect on the relevant Exercise Date. The Conversion Price shall be subject to adjustment pursuant to Clause 10.4 (*Redemption at the Option of a Bondholder due to a Change of Control Event*), Clause 13 (*Adjustment of the Conversion Price*) and Clause 14 (*Mergers and de-mergers*).

12.4 Exercise notice

In order to exercise a Conversion Right, the Bondholder shall deliver to the specified office of the Paying Agent (via its account manager) a duly completed, irrevocable and signed exercise notice. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the Paying Agent, such delivery shall be deemed for purposes of these Bond Terms to have been on the next business day following such delivery day. Request for conversion takes place by the Bondholder notifying his account manager of the number of Bonds which shall be converted. The account manager will then promptly forward the request to the Issuer (via the Paying Agent).

12.5 Effectuation of Conversion Rights

- (a) Conversion will be effected by a set-off of the aggregate Nominal Amount of the Bonds to be converted against the issuing of the whole number of Shares resulting from dividing the Nominal Amount of all the Bonds to be converted by the Conversion Price. Any

excess amount beyond the whole number of Shares converted by the Bonds shall fall to the Issuer and accordingly fractions of Shares will not be issued or transferred upon exercise of a Conversion Right and no cash payment will be made in lieu thereof. Where Conversion Rights are exercised by a Bondholder in respect of more than one Bond, the number of Shares to be issued will be determined on the basis of the aggregate Nominal Amount of such Bonds

- (b) The Issuer shall pay all (if any) taxes and capital, stamp issue and registration duties payable in Norway arising on conversion and on the issue and delivery of Shares upon conversion. A Bondholder exercising Conversion Rights must pay directly to the relevant authorities all (if any) taxes and capital, stamp, issue and registration duties payable in any jurisdictions other than Norway and arising on conversion of the Bonds and on the issue and delivery of Shares upon such conversion. Such Bondholder must also pay all taxes and capital, stamp issue and registration duties (if any) imposed on it and arising by reference to any disposal or deemed disposal of a Bond or any interest therein in connection with the exercise of Conversion Rights.
- (c) Interest accrued since the last Interest Payment Date but not due on a Conversion Date, shall not be payable in cash nor kind to the Bondholders, but shall accrue to the Issuer unless the Conversion Date shall fall on a Payment Date or a Bondholder is exercising its Conversion Right following the Issuer having exercised its option to redeem the Bonds under Clauses 10.2, 10.3, 10.4, 10.5 or 10.6, in which case interest due shall be paid to the relevant Bondholder.
- (d) The Issuer shall (if relevant via the Paying Agent) on or prior to or with effect from the Conversion Date (i) carry the conversion into effect by, at its own discretion, issuing the relevant number of new Shares or transferring existing Shares to the converting Bondholder or his nominee, (ii) ensure the due registration of such Shares in the CSD (at the account of the converting Bondholder) and listing of such Shares on the Relevant Stock Exchange and any other stock exchange on which the Shares may then be listed or quoted or dealt in (and shall deliver any such documents and do any acts necessary in relation thereto), but this obligation to list such Shares shall not be considered as being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise including the request of the person or persons controlling the Issuer as a result of the Change of Control, a de-listing of the Shares, and (iii) ensure that the Outstanding Bonds shall be written down. Upon the issuance or transfer of the Shares on conversion of any Bonds in accordance with the terms of these Bond Terms, the Issuer shall have no further liability in respect of such Bonds.

12.6 Shares to rank *pari passu*

Shares issued or transferred upon conversion of the Bonds will be fully paid and will in all respects rank *pari passu* with the Shares in issue on the relevant Conversion Date or, in the case of Additional Shares, on the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law and except that such Shares or, as the case may be, Additional Shares will not rank for any rights, distributions or payments the record

date (or other due date for the establishment of entitlement) for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

13. ADJUSTMENT OF THE CONVERSION PRICE

Upon the occurrence of any of the events described below, the Conversion Price shall be adjusted as follows:

- (a) If and whenever there shall be a consolidation, reclassification or subdivision affecting the number of Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such consolidation, reclassification or subdivision by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Shares in issue immediately before such consolidation, reclassification or subdivision, as the case may be; and
- B is the aggregate number of Shares in issue immediately after, and as a result of, such consolidation, reclassification or subdivision, as the case may be.

Such adjustment shall become effective on the date the consolidation, reclassification or subdivision, as the case may be, takes effect.

- (b) If and whenever the Issuer shall issue any Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve) other than (1) where any such Shares are or are to be issued instead of the whole or part of a Dividend in cash which the Shareholders would or could otherwise have elected to receive, (2) where the Shareholders may elect to receive a Dividend in cash in lieu of such Shares or (3) where any such Shares are or are expressed to be issued in lieu of a Dividend (whether or not a cash Dividend equivalent or amount is announced or would otherwise be payable to Shareholders, whether at their election or otherwise), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate nominal amount of the Shares in issue immediately before such issue; and
- B is the aggregate nominal amount of the Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Shares.

- (c) If and whenever the Issuer shall pay or make any Dividend to the Shareholders where the Effective Date in respect of which falls on or after the Issue Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Share on the first date on which the Shares are traded ex- the relevant Dividend on the Relevant Stock Exchange or, in the case of a purchase of Shares or any receipts or certificates representing Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, is the Current Market Price of one Share on the date on which such Shares are purchased or, in the case of a Spin-Off, is the mean of the Volume Weighted Average Prices of a Share for the five consecutive Dealing Days ending on the Dealing Day immediately preceding the first date on which the Shares are traded ex- the relevant Spin-Off on the Relevant Stock Exchange; and
- B is the portion of the Fair Market Value, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Shares entitled to receive the relevant Dividend (or, in the case of a purchase of Shares or any receipts or certificates representing shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Shares in issue immediately prior to such purchase), of the Dividend attributable to one Share.

Such adjustment shall become effective on the first date on which the Shares are traded ex- the relevant Dividend on the Relevant Stock Exchange or, in the case of a purchase of Shares or any receipts or certificates representing Shares, on the date such purchase is made or, in the case of a Spin-Off, the first date on which the Shares are traded ex- the relevant Spin-Off.

For the purposes of the above, the Fair Market Value of a Cash Dividend shall (subject as provided in paragraph (a) of the definition of “Dividend” and in the definition of “Fair Market Value”) be determined as at the first date on which the Shares are traded ex- the relevant Dividend on the Relevant Stock Exchange, and in the case of a Non-Cash Dividend, the Fair Market Value of the relevant Dividend shall be the Fair Market Value of the relevant Spin-Off Securities or, as the case may be, the relevant property or assets.

“**Non-Cash Dividend**” means any Dividend which is not a Cash Dividend, and shall include a Spin-Off.

“Cash Dividend” means (i) any Dividend which is to be paid or made in cash (in whatever currency), but other than falling within paragraph (b) of the definition of “Spin-Off” and (ii) any Dividend determined to be a Cash Dividend pursuant to paragraph (a) of the definition of “Dividend”, and for the avoidance of doubt, a Dividend falling within paragraph (c), (d) or (e) of the definition of “Dividend” shall be treated as being a Non-Cash Dividend.

- (d) If and whenever the Issuer shall issue Shares to Shareholders as a class by way of rights, or issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase any Shares or any Securities which by their terms carry (directly or indirectly) rights of conversion into, or exchange or subscription for, Shares (or shall grant any such rights in respect of existing Securities so issued) in each case at a price per Share which is less than 95 per cent. of the Current Market Price per Share on the first Dealing Day on which the Shares are traded ex- the relevant issue on the Relevant Stock Exchange, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Shares in issue on the Effective Date;
- B is the number of Shares which the aggregate amount (if any) payable for the Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued by way of rights and for the total number of Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Share; and
- C is the number of Shares issued or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase in respect thereof at the initial conversion, exchange, subscription or purchase price or rate,

provided that if at the time of issue of the relevant Securities or the date of grant of such rights (as used in this paragraph (d), the “Specified Date”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription are exercised or at such other time as may be provided) then for the purposes of this paragraph (d), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion,

exchange, subscription, purchase or acquisition or other variable feature had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (d), the first date on which the Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange.

- (e) If and whenever the Issuer shall issue any Securities (other than Shares or options, warrants or other rights to subscribe for or purchase any Shares) to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase any Securities (other than Shares or options, warrants or other rights to subscribe for or purchase Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the Effective Date; and

B is the Fair Market Value on the Effective Date of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (e), the first date on which the Shares are traded ex- the relevant Securities on the Relevant Stock Exchange.

- (f) If and whenever the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any Shares (other than Shares issued on conversion of the Bonds or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, Shares) or issue or grant (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase any Shares (other than the Bonds), in each case at a price per Share which is less than 95 per cent. of the Current Market Price per Share on the Effective Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Shares in issue immediately before the issue of such Shares or the grant of such options, warrants or rights;

B is the number of Shares which the aggregate consideration (if any) receivable for the issue of such Shares or, as the case may be, for the

Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Share; and

C is the number of Shares to be issued pursuant to such issue of such Shares or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights,

provided that if at the time of issue of the relevant Securities or the date of grant of such rights (as used in this paragraph (f), the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such options, warrants or other rights to subscribe for or purchase any Shares are converted or exchanged or rights of subscription are exercised or at such other time as may be provided) then for the purposes of this paragraph (f), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition or other variable feature had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (f), the date of issue of such Shares or, as the case may be, the grant of such options, warrants or rights.

(g) If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity (otherwise than as mentioned in paragraph (d), (e) or (f) above) shall issue wholly for cash or for no consideration any Securities (other than the Bonds), which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be redesignated as Shares, and the consideration per Share receivable upon conversion, exchange, subscription or redesignation is less than 95 per cent. of the Current Market Price per Share on the Effective Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue (or grant) by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A is the number of Shares in issue immediately before such issue or grant (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for Shares which have been issued

by the Issuer for the purposes of or in connection with such issue, less the number of such Shares so issued);

- B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription attached to such Securities or, as the case may be, for the Shares to be issued or to arise from any such redesignation would purchase at such Current Market Price per Share; and
- C is the maximum number of Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription attached thereto at the initial conversion, exchange or subscription price or rate or, as the case may be, the maximum number of Shares which may be issued or arise from any such redesignation,

provided that if at the time of issue of the relevant Securities or date of grant of such rights (as used in this paragraph (g) the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription are exercised or, as the case may be, such Securities are redesignated or at such other time as may be provided) then for the purposes of this paragraph (g), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (g), the date of issue of such Securities or, as the case may be, the grant of such rights.

- (h) If and whenever there shall be any modification of the rights of conversion, exchange or subscription attaching to any such Securities (other than the Bonds) as are mentioned in paragraph (g) above (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Share receivable has been reduced and is less than 95 per cent. of the Current Market Price per Share on the Effective Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Shares in issue immediately before such modification (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for Shares which have been issued, purchased or acquired by the Issuer or any Subsidiary of the Issuer (or at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) for the purposes of or in connection with such issue, less the number of such Shares so issued, purchased or acquired);
- B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription attached to the Securities so modified would purchase at such Current Market Price per Share or, if lower, the existing conversion, exchange or subscription price of such Securities; and
- C is the maximum number of Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription attached thereto at the modified conversion, exchange or subscription price or rate but giving credit in such manner as an Independent Financial Adviser shall consider appropriate for any previous adjustment under this paragraph (h) or paragraph (g) above,

provided that if at the time of such modification (as used in this paragraph (h) the “**Specified Date**”) such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription are exercised or at such other time as may be provided) then for the purposes of this paragraph (h), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange or subscription had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (h), the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities.

- (i) If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Securities in connection with which offer Shareholders as a class are entitled to participate in arrangements whereby such Securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraph (b), (c), (d), (f) or (g) above (or would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Share on the relevant Dealing Day) or under paragraph (e) above the Conversion Price

shall be adjusted by multiplying the Conversion Price in force immediately before the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the Effective Date; and

B is the Fair Market Value on the Effective Date of the relevant offer attributable to one Share.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (i), the first date on which the Shares are traded ex-rights on the Relevant Stock Exchange.

- (j) Notwithstanding the foregoing provisions, where the events or circumstances giving rise to any adjustment pursuant to this Clause 13 (*Adjustment of the Conversion Price*) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that, in the opinion of the Bond Trustee, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be advised by an Independent Financial Adviser to be in its opinion appropriate to give the intended result.
- (k) For the purpose of any calculation of the consideration receivable or price pursuant to paragraphs (d), (f), (g) and (h), the following provisions shall apply:
- (i) the aggregate consideration receivable or price for Shares issued for cash shall be the amount of such cash;
 - (ii) (x) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities and (y) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the Effective Date, plus in the case of each of (x) and (y)

above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights or subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;

- (iii) if the consideration or price determined pursuant to paragraph (k) (i) or (ii) above (or any component thereof) shall be expressed in a currency other than USD it shall be converted into USD at such rate of exchange as may be determined in good faith by an Independent Financial Adviser to be the Prevailing Rate on the relevant Effective Date; and
 - (iv) in determining consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Shares or Securities or otherwise in connection therewith.
- (l) If the Conversion Date in relation to the conversion of any Bond shall be after the record date or other due date for any consolidation or sub-division as is mentioned in paragraph (a) above, or after the record date or other due date for the establishment of entitlement for any such issue, distribution, grant or offer (as the case may be) as is mentioned in paragraphs (b), (c), (d), (e) or (i), or after any such issue or grant as is mentioned in paragraphs (f) and (g), in any case in circumstances where the relevant Conversion Date falls before the relevant adjustment becomes effective under Clause 13 (*Adjustment of the Conversion Price*) (such adjustment, a “**Retroactive Adjustment**”), then the Issuer shall (conditional upon the relevant adjustment becoming effective) procure that there shall be issued or delivered to the converting Bondholder, such additional number of Shares (if any) (the “**Additional Shares**”) as, together with the Shares issued or to be issued or delivered on conversion of the relevant Bond (together with any fraction of a Share not so issued), is equal to the number of Shares which would have been required to be issued or delivered on conversion of such Bond if the relevant adjustment (more particularly referred to in the said provisions of Clause 13 (*Adjustment of the Conversion Price*)) to the Conversion Price had in fact been made and become effective immediately prior to the relevant Conversion Date, provided that if the relevant Bondholder shall be entitled to receive the relevant Dividend in respect of the Shares to be issued or delivered to it, then no such Retroactive Adjustment shall be made in relation to such Dividend and the relevant Bondholder shall not be entitled to receive Additional Shares in relation thereto. Additional Shares will be delivered to Bondholders not later than 10 Business Days following the date the relevant Retroactive Adjustment becomes effective (the “**Reference Date**”).
- (m) No adjustment will be made to the Conversion Price where Shares or other Securities (including rights, warrants and options) are issued, offered, exercised, allotted,

appropriated, modified or granted to, or for the benefit of, employees or former employees (including Directors holding or formerly holding executive office or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to trustees to be held for the benefit of any such person, in any such case pursuant to any employees' share or option scheme.

- (n) On any adjustment, the resultant Conversion Price, if not an integral multiple of USD 0.0001, shall be rounded down to the nearest whole multiple of USD 0.0001. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders and the Bond Trustee promptly after the determination thereof.

The Conversion Price shall not in any event be reduced to below the nominal value of the Shares and the Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such nominal value.

- (o) If changes are made in the share capital other than those mentioned above, which are unfavourable to the Bondholders compared to the Shareholders, the Bond Trustee and the Issuer shall agree on a new Conversion Price. This also applies to other transactions, which are unfavourable to the Bondholders compared to the Shareholders.
- (p) If an adjustment of the Conversion Price requires a conversion to USD, the exchange rate shall be the Prevailing Rate on the date triggering such adjustments. For the avoidance of doubt, when calculating weighted averages over several days, each day should apply the Prevailing Rate for that day.

14. MERGERS AND DE-MERGERS

- (a) In the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than a consolidation, amalgamation or merger in which the Issuer is the continuing corporation), or in the case of any sale or transfer of all, or substantially all, of the assets of the Issuer, the Issuer will take such steps as shall be required by the Bond Trustee (including the execution of an agreement supplemental to or amending the Bond Terms) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be converted into the class and amount of shares and other securities and property receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Shares which would have become liable to be issued upon exercise of Conversion Rights immediately prior to such consolidation, amalgamation, merger, sale or transfer. Such supplemental agreement deed will provide for adjustments which will be as nearly equivalent as may be practicable to the adjustments provided for in Clause 13 (*Adjustment of the Conversion*

Price). The above will apply, *mutatis mutandis* to any subsequent consolidations, amalgamations, mergers, sales or transfers.

- (b) The provisions in this Clause 14 (*Mergers and de-mergers*) have no limitation on the creditor's right of objection to the merger or de-merger.

- (d) Subject to the power of the Bond Trustee to take certain action as set out in Clause 19.1 (*Power to represent the Bondholders*), if a resolution by, or an approval of, the Bondholders is required, such resolution may be passed at a Bondholders' Meeting. - (d) Any Summons for a Bondholders' Meeting must clearly state the agenda for the Bondholders' Meeting and the matters to be resolved. The Bond Trustee may include additional agenda items to those requested by the person calling for the Bondholders' Meeting in the Summons. If the Summons contains proposed amendments to these Bond Terms, a description of the proposed amendments must be set out in the Summons.
- (e) Items which have not been included in the Summons may not be put to a vote at the Bondholders' Meeting.
- (f) By written notice to the Issuer, the Bond Trustee may prohibit the Issuer from acquiring or disposing of Bonds during the period from the date of the Summons until the date of the Bondholders' Meeting, unless the acquisition of Bonds is made by the Issuer pursuant to Clause 10 (*Redemption and Repurchase of Bonds*).
- (g) A Bondholders' Meeting may be held on premises selected by the Bond Trustee, or if paragraph (b) above applies, by the person convening the Bondholders' Meeting (however to be held in the capital of the Relevant Jurisdiction). The Bondholders'

Meeting will be opened and, unless otherwise decided by the Bondholders' Meeting, chaired by the Bond Trustee. If the Bond Trustee is not present, the Bondholders' Meeting will be opened by a Bondholder and be chaired by a representative elected by the Bondholders' Meeting (the Bond Trustee or such other representative, the "**Chairperson**").

- (h) Each Bondholder, the Bond Trustee and, if the Bonds are listed, representatives of the Exchange, or any person or persons acting under a power of attorney for a Bondholder, shall have the right to attend the Bondholders' Meeting (each a "**Representative**"). The Chairperson may grant access to the meeting to other persons not being Representatives, unless the Bondholders' Meeting decides otherwise. In addition, each Representative has the right to be accompanied by an advisor. In case of dispute or doubt with regard to whether a person is a Representative or entitled to vote, the Chairperson will decide who may attend the Bondholders' Meeting and exercise voting rights.
- (i) Representatives of the Issuer have the right to attend the Bondholders' Meeting. The Bondholders Meeting may resolve to exclude the Issuer's representatives and/or any person holding only Issuer's Bonds (or any representative of such person) from participating in the meeting at certain times, however, the Issuer's representative and any such other person shall have the right to be present during the voting.
- (j) Minutes of the Bondholders' Meeting must be recorded by, or by someone acting at the instruction of, the Chairperson. 18.3 Voting rules

- (a) Each Bondholder (or person acting for a Bondholder under a power of attorney) may cast one vote for each Voting Bond owned on the Relevant Record Date, ref. Clause 3.3 (*Bondholders' rights*). The Chairperson may, in its sole discretion, decide on accepted evidence of ownership of Voting Bonds.
- (b) Issuer's Bonds shall not carry any voting rights. The Chairperson shall determine any question concerning whether any Bonds will be considered Issuer's Bonds.
- (c) For the purposes of this Clause 18 (*Bondholders' decisions*), a Bondholder that has a Bond registered in the name of a nominee will, in accordance with Clause 3.3

(*Bondholders' rights*), be deemed to be the owner of the Bond rather than the nominee. No vote may be cast by any nominee if the Bondholder has presented relevant evidence to the Bond Trustee pursuant to Clause 3.3 (*Bondholders' rights*) stating that it is the owner of the Bonds voted for. If the Bondholder has voted directly for any of its nominee registered Bonds, the Bondholder's votes shall take precedence over votes submitted by the nominee for the same Bonds.

- (d) Any of the Issuer, the Bond Trustee and any Bondholder has the right to demand a vote by ballot. In case of parity of votes, the Chairperson will have the deciding vote.

ATTACHMENT 2 INTERCREDITOR PRINCIPLES

1.1 These inter creditor principles set out the principles for an inter creditor agreement to be entered into between (i) the Bond Trustee (acting on behalf of the Bondholders), (ii) the agent(s) (acting on behalf of the finance parties) of a reserve based lending facility originally dated 7 February 2019 as amended and restated pursuant to an amendment and restatement agreement dated 28 April 2021 (the "RBL") entered into by Noreco Oil Denmark A/S as borrower and the Issuer as guarantor and (iii) the Issuer as guarantor under the RBL and issuer of the Bonds. These principles are subject to long form documentation and further comments from the RBL finance parties.

1.2 The claims which the Bondholders have against the Issuer shall be fully subordinated at all times to the claims of RBL finance parties' against all members of the Issuer group under the RBL finance documents. Cash payment of coupon under the Bonds shall be permitted at the discretion of the Issuer.

1.3 The Bondholders shall be restricted from taking any enforcement action against the Issuer and/or any member of the Issuer's group for the repayment of any debt owed by the Issuer and/or any member of the Issuer group including but not limited to (i) any legal action, proceedings or applications, (ii) the exercise of any right of set off or similar, (iii) the entry into any composition or similar arrangement, and (iv) the taking of any step for liquidation, winding up, administration or similar.

1.4 There will be no concept of 'standstill periods' as the ability of Bondholders to take enforcement action will only arise following full discharge of the RBL finance parties' debts. Any recoveries pursuant to any such action in breach of the foregoing shall be subject to turnover provisions in favour of the RBL finance parties.

1.5 Notwithstanding the above, it is noted that the Bonds will be unsecured and recourse under the terms of the Bonds shall be solely to the Issuer (and none of its subsidiaries). The Bondholders may not take, accept or receive the benefit of any security, guarantee, indemnity or other assurance against loss from any member of the Issuer group in respect of any of the liabilities owing under the Bonds.

1.6 It is also noted that RBL finance parties will have the unilateral right to enforce their security and to apply the proceeds towards liabilities owed to the finance parties under the RBL finance documents. The RBL finance parties will have unfettered rights to declare an RBL event of default, accelerate repayment and take all other action under the RBL finance documents, including but not limited to enforcement of other security granted by the Issuer to the RBL finance parties. Without limitation, the inter creditor agreement shall not place any restrictions on RBL finance parties taking enforcement action, declaring an event of default, amending or waiving any aspect of the RBL documentation, or otherwise restricting the RBL finance parties' rights.

1.7 The Issuer and the Bondholders shall not, without the prior written consent of the agent(s) under the RBL, be entitled to enter into any amendment agreements or grant any waivers or consents in relation to the Issuer's right to claim and enforce conversion of the Bonds.

1.8 The inter creditor agreement shall be governed by Norwegian law.
