Berlin, 16.12.2024

momox Holding SE – Call notice ISIN NO 0010886369

Reference is made to the announcement made by momox Holding SE (the "Company") on 6 December 2024, where the Company gave notice of exercise of the call option for the remaining outstanding bonds under the existing bond issue. The Company has today notified Nordic Trustee AS that the Call Option Notice is now unconditional and that it will exercise the call option to redeem all outstanding bonds under the Company's outstanding EUR 100 million senior secured green bond issue with maturity.

The bonds will be repaid at a price equal to 101.25 per cent of par value plus accrued and unpaid interest up until the date of redemption, with settlement scheduled for 20 December 2024.
