1 Background

Reference is made to the Issuer's three outstanding bond loans, being the Existing Bonds, the senior secured callable fixed cash and compound interest rate bonds 2020/2025 with ISIN SE0014855276 (the "**Bonds 2025**") and the senior secured callable fixed cash and compound interest rate bonds 2021/2027 with ISIN SE0017159916 (the "**Bonds 2027**", and together with the Existing Bonds and the Bonds 2025, the "**Bond Loans**").

As announced by the Issuer in a press release on 5 July 2024, the Issuer has agreed on a consensual restructuring (the "**Restructuring**") with a committee of certain larger Bondholders under the Bond Loans (representing approximately 65.50 per cent. of the Adjusted Nominal Amount of the Bonds 2025, 48.04 per cent. of the Adjusted Nominal Amount of the Existing Bonds and 72.08 per cent. of the Adjusted Nominal Amount of the Bonds 2027) (the "**Ad Hoc Committee**") in order to secure the continuation of the business and repayments of the Bond Loans.

Pursuant to the Restructuring, the Issuer is contemplating to implement an amended capital structure of the Issuer, which is described in more detail below under Section 3 (*The New Structure*).

The Issuer has, at the same time as this Notice, also sent notices of written procedure under the Bonds 2025 and the Bonds 2027 (the "**Other Fastator Bonds**") in order to obtain consent to implement the New Structure as defined below and as set out in this Notice (the "**Parallel Procedures**"). This Notice and the notices of the Parallel Procedures are available on the Issuer's website.

2 The Proposal

The Issuer, by issuing this Notice, and the Bondholders, by voting for the Proposal, acknowledge and agree that (i) the Agent and the Ad Hoc Committee, when acting in accordance with the authorisation instructions set out in this Section 2.2, and the Ad Hoc Committee, when giving such instruction, are fully discharged from any liability whatsoever, (ii) the Ad Hoc Committee does not “act for” the Bondholders in any representative capacity and has no duty of care to the Issuer, any of the Issuer’s group companies or any Bondholder and (iii) the Agent and the Ad Hoc Committee shall never be responsible for any loss (whether direct or indirect) of any member of the Issuer’s group or any Bondholder. For the purpose of carrying out the actions described in this Section 2.2 the Agent shall be entitled to require that the Ad Hoc Committee confirms that any implementation steps are approved and in line with the New Structure.

2.3 Appointment of board representative

The Issuer and the Ad Hoc Committee have in accordance with the New Bonds Terms and Conditions (as defined below) agreed to appoint Christian Holm Nilsen as the Bondholders' board observer on the board of directors of the Issuer (the “**Board Representative**”). For further information about the Board Representative, please see Clause 13.18 (*Board representation*) of the New Bonds Terms and Conditions.

3 The New Structure

The measures, actions and instruments mentioned in this Section 3 are together referred to as the “**New Structure**”. The New Structure will be substantially implemented as described in this Section 3. The exact and detailed structure for how the New Structure will be effectuated is, however, subject to rules and procedures of the CSD. Therefore, the implementation of the New Structure may be carried out through other means than as described in this Notice, provided that the result of such implementation procedures, in the opinion of the Ad Hoc Committee (without assuming any liability), is consistent with the principles as set out in this Notice.

The key steps in implementing the New Structure include the following:

- (a) The Issuer will issue new senior secured bonds (the “**New Bonds**”) to the bondholders under the Bond Loans with an aggregate nominal amount equal to the outstanding aggregate nominal amount (including any interest paid or payable in kind) under all Bond Loans plus call premiums and unpaid interest under the Bond Loans (rounded down to the nearest SEK 1,000 per bond), substantially on the terms set out under Section 3.1.1 (*The New Bonds*).
- (b) On the issue date of the New Bonds, the Issuer will additionally issue participation notes (the “**Participation Notes**”) to each bondholder under the Bond Loans, substantially on the terms set out in Section 3.1.2 (*The Participation Notes*). Each bondholder will receive one Participation Note for every New Bond held by them. The nominal amount of each Participation Note is SEK 1.00.
- (c) The outstanding bonds issued under the Bond Loans will be mandatorily exchanged for the New Bonds and the Participation Notes.
- (d) The Issuer and the Ad Hoc Committee have agreed on a business plan pursuant to which the business of the Issuer shall be conducted and which includes restrictions and requirements in respect of e.g. the sale of assets, investments and governance with the overarching aim to firstly expedite and ensure full repayment of all amounts due under the New Bonds and secondly (and only if commercially viable and reasonable) a full pay-out under the Participating Notes (the “**Business Plan**”).

3.1.1 *The New Bonds*

The Existing Bonds issued by the Issuer will, together with the Other Fastator Bonds, be mandatorily exchanged for the New Bonds issued by the Issuer. The outstanding nominal amount (including interest paid in kind) together with accrued and unpaid interest of the Existing Bonds is approximately SEK 787,612,709 as per the date of this Notice. Such amount will, together with the outstanding nominal amount (including interest paid in kind) and accrued and unpaid interest of the Other Fastator Bonds, being in total approximately SEK 1,684,215,908 as per the date of this Notice, together with the call premiums and unpaid interest under the Bond Loans (rounded down to the nearest SEK 1,000 per bond), constitute the nominal amount of the New Bonds.

The New Bonds will be secured by first ranking security over (i) the Issuer’s shares in Företagsparken Norden Holding AB (publ) and Point Properties Holding AB, (ii) certain intragroup loans granted by the Issuer to Point Properties Holding AB and any of its direct or indirect subsidiaries which shares are subject to security (directly or indirectly), (iii) certain

disposal accounts and (iv) the promissory note issued by Cal Investments Sàrl to the Issuer including its attached security (Sw. *vidhängande säkerheter*) (together, the “**Transaction Security**”).

The proposed terms and conditions for the New Bonds (the “**New Bonds Terms and Conditions**”) are set out in Schedule 3 (*New Bonds Terms and Conditions*). The key terms are described below.

- (a) The final maturity date of the New Bonds will be 29 October 2027 (the “**Extended Final Maturity Date**”).
- (b) The New Bonds will carry deferred PIK-interest equal to 3-month STIBOR plus 4.00 per cent. *per annum*, which will be compounded quarterly and paid on the Extended Final Maturity Date.
- (c) The Issuer shall redeem all, but not only some, of the outstanding New Bonds in full on the Extended Final Maturity Date with an amount per bond equal to 104 per cent. of the nominal amount together with any accrued deferred interest and accrued but unpaid interest.
- (d) The Issuer may redeem all, but not only some, of the outstanding New Bonds in full at any time (i) from and including the issue date to, but excluding, the first business day falling 12 months after the issue date at an amount per bond equal to 100 per cent. of the nominal amount, (ii) from and including the first business day falling 12 months after the issue date to, but excluding, the first business day falling 24 months after the issue date at an amount per bond equal to 102 per cent. of the nominal amount and (iii) from and including the first business day falling 24 months after the issue date to, but excluding, the Extended Final Maturity Date at an amount per bond equal to 104 per cent. of the nominal amount, in each case together with any accrued deferred interest and accrued but unpaid interest.
- (e) The Issuer shall partially redeem the bonds by way of reducing the nominal amount of each New Bond *pro rata* through repayment in an aggregate amount of (i) SEK 250,000,000 on the date falling 9 months after the issue date, (ii) SEK 250,000,000 on the date falling 18 months after the issue date and (iii) SEK 250,000,000 on the date falling 27 months after the issue date. The nominal amount to be partially redeemed pursuant to the above shall, in each case, be reduced with an amount equal to the aggregate nominal amount voluntarily prepaid by the Issuer. The Issuer may however, in accordance with the terms as set out in Schedule 3 (*New Bonds Terms and Conditions*), by notice to the Agent and the bondholders not less than 10 business days prior to any relevant redemption date for a mandatory partial redemption, select to postpone the next following mandatory partial redemption falling due with a period of 3 months. Such postponement may not be made more than 5 times during the life of the New Bonds.
- (f) The Issuer shall procure that any (i) Företagsparken Exit Proceeds, (ii) Point Disposal Proceeds, (iii) repayment of principal under the Promissory Note received by a group company, (iv) dividends received with respect to the shares in Företagsparken Norden Holding AB (publ) and any yield or interest received under the Promissory Note (in each case, net of applicable tax) which in aggregate exceed the Excess Cash Threshold and/or (v) net proceeds from any other sale of an asset subject to Transaction Security,

shall immediately be deposited on the Disposal Account upon receipt and be applied by the Issuer for mandatory partial redemption of the New Bonds (each term as defined in the New Bonds Terms and Conditions).

- (g) The Issuer may partially redeem the New Bonds at any time in a minimum aggregate amount of SEK 20,000,000 per redemption by way of reducing the nominal amount of each New Bond *pro rata*.

Further, the New Bonds Terms and Conditions contains customary undertakings such as restrictions on dividends and disposal of assets, financial indebtedness, negative pledge and information undertakings. The New Bonds shall be admitted to trading on a regulated market within 60 days of the issue date with an intention to complete such listing within 30 days of the first issue date of the New Bonds.

3.1.2 *The Participation Notes*

In connection with the issue of New Bonds, each holder of New Bonds receives Participating Notes. One Participation Note will be issued for each New Bond held by the bondholder as of the issue date of the New Bonds. The nominal amount of each Participation Note is SEK 1.00.

The proposed terms and conditions for the Participating Notes (the “**Participating Notes Terms and Conditions**”) are set out in Schedule 4 (*Participating Notes Terms and Conditions*). The key terms are described below.

The Participation Notes represent a right to a cash amount in SEK equal to 50 per cent. of the aggregate amount of increase of the Group’s net asset value of the Group (the “NAV”) from the financial quarter ended on 31 March 2024 to the Final Maturity Date based on the latest reported NAV in the most recent financial report and any amount received through equity raises and/or shareholders’ contributions shall be deducted when calculating the NAV increase amount and any distributions made to shareholders shall be added back (the “**Participation Amount**”).

The Issuer shall redeem all Participation Notes in full on the the earlier of (i) the full redemption of the New Bonds, (ii) 29 October 2027, (iii) the Issuer’s shares being subject to a public tender offer pursuant to which the Issuer is taken private and (iv) the sale of substantially all of the Issuer’s assets (including by way of liquidation and/or any insolvency proceedings), with an amount equal to the Participation Amount.

3.1.3 *The Business Plan*

The Business Plan will be a separate finance document and not be included in the New Bonds Terms and Conditions. A breach of the Business Plan by the Issuer or its subsidiaries will cause an event of default to occur under the New Bonds. No amendment shall be made to the Business Plan without the consent of the holders of the New Bonds pursuant to a bondholders' meeting or a written procedure. The Board Representative has a right to consent to non-material amendments to the Business Plan in accordance with the New Bonds Terms and Conditions. The Issuer confirms that the information provided in the Business Plan does not constitute insider information. The Business Plan is confidential and the Bondholders by approving the Proposal agree that neither the Agent nor any member of the Ad Hoc Committee will provide a copy of the Business Plan to any Bondholder.

The main contents of the Business Plan, which is subject to negotiations between the Issuer and the Ad Hoc Committee, is summarised below.

- A soft undertaking by the Issuer to endeavour to retain a liquidity buffer of cash of not less than SEK 10,000,000.
- Terms for permitted disposals of material assets by, and permitted acquisition and investment made by, the Issuer and its subsidiaries.
- Restrictions on raising financing and equity raises.

4 Blocked period

In order to ensure that the New Structure can be implemented as set forth in this Notice, trading of bonds issued under the Bond Loans shall be blocked in the CSD systems from any time after close of an approved Written Procedure until the date of delivery of the New Bonds and the Participation Notes (the “**Blocked Period**”). During the Blocked Period, the Bondholders are not permitted to execute any trades in the bonds issued under the Bond Loans and no trades in such bonds can be registered with the CSD (whether conducted through any stock exchange or over the counter). The Issuer will announce any Blocked Period by way of a press release.

5 Timing

All actions after the close of the Written Procedure are subject to the occurrence of the Effective Date (as defined below). The finally determined date for all target dates in this Notice including the issue date of the New Bonds and the Participation Notes and the relevant record dates to be eligible to receive the New Bonds and the Participation Notes will be announced by the Issuer in a press release prior to the occurrence of the Effective Date.

6 Effective date

6.1 Conditions

The Proposal shall be deemed approved immediately upon expiry of the voting period and satisfaction of the requisite quorum participation as set forth in Section 8.5 (*Quorum*) and receipt of the required majority as set forth in Section 8.6 (*Majority*) or if earlier, when a requisite majority of consents of the Adjusted Nominal Amount has been received by the Agent. The Proposal will come into effect upon the Agent being satisfied (acting reasonably) that it has received the following documentation and evidence (the “**Effective Date**”):

- evidence that that the Parallel Procedures have been successfully concluded and that the bondholders in the Parallel Procedures have voted in favour of the Issuer’s proposal in accordance with the notices of the Parallel Procedures;
- evidence that that the written procedure initiated relating to the maximum SEK 800,000,000 senior secured callable fixed rate bonds 2021/2024 with ISIN SE0015556535 and issued by Point Properties Portfolio 1 AB (publ) has been successfully concluded and that the bondholders have voted in favour of Point Properties Portfolio 1 AB (publ)’s proposal in accordance with the notice of written procedure for such bonds dated on or around the date of this Notice;
- all conditions precedent under the New Bonds as set out in Clause 4.1 (*Conditions Precedent Bond Issue*) of the New Bonds Terms and Conditions having been received by the agent to its satisfaction;

- (d) evidence and confirmation that the New Bonds and the Participating Notes will be issued to the Bondholders immediately after the occurrence of the Effective Date;
- (e) evidence that Företagsparken Norden Holding AB (publ)'s shareholders have agreed to waive any transfer restrictions in respect of any future transfer of shares in Företagsparken Norden Holding AB (publ) by the Issuer in connection with an enforcement of the Transaction Security; and
- (f) such other documents and evidence as is agreed between the Agent and the Issuer, (jointly, the “**Conditions**”).

In addition, the Issuer and the Agent may agree to take any other action deemed required and as instructed by the Ad Hoc Committee in order to implement the Proposal. Such instructions by the Ad Hoc Committee shall be limited to the Proposal and not be detrimental to the interest of the Bondholders.

6.2 Longstop Date

If the Agent has not received or waived the receipt of all the Conditions no later than 31 January 2025, the approval of the Proposal will not be granted, the New Bonds Terms and Conditions for the New Bonds, the Participating Notes Terms and Conditions will not be entered into and the Effective Date will thus not occur.

7 Risk factors relating to the Proposal

The holding of the Existing Bonds and the exchange of Existing Bonds for New Bonds and Participation Notes contemplated by the Proposal entail certain risks. Each Bondholder should carefully review the risk factors set out below. The Issuer does not represent that the risks of the holding any Existing Bonds or of the Proposal are exhaustive.

Exchange of securities

Even though the Bondholders vote in favour of the Proposal, there can be no assurance that the Group will be able to comply with the New Bonds Terms and Conditions or the Participation Notes Terms and Conditions, or continue to service its debt obligations under the New Bonds. Events beyond the Group's control, including changes in the economic and business conditions in which the Group operates, may affect the Group's ability to comply with the New Bonds Terms and Conditions or the Participation Notes Terms and Conditions and events may occur during the extended maturity of the Existing Bonds which affects the Group negatively.

The exchange of securities entails an extended period of credit risk vis-à-vis the Issuer and the Group for the Bondholders and there can be no assurance that no material adverse circumstances will arise between the maturity date of the Existing Bonds and the maturity date of the New Bonds or that the Group will be able to refinance the Existing Bonds at the extended maturity. The Group's ability to successfully repay the New Bonds and the Participation Notes is dependent on the general economic conditions as well as the capital markets and its financial condition at such time. The Group may not have adequate access to sufficient financing sources, or at all, at the time of such repayment. The Group's inability to repay its debt obligations would have a material adverse effect on the Bondholders' recovery under the New Bonds and the Participation Notes.

Refinancing risk

The Issuer's ability to refinance the New Bonds at the extended maturity date depends on a number of factors, such as market conditions, the availability of cash flows from operations, intra-group loan arrangements and access to additional debt financing. In addition, restrictions in relation to the Group's debt financing arrangements as well as adverse developments in the credit markets and other future adverse developments, such as the further deterioration of the overall financial markets or a worsening of general economic conditions, could have a material adverse effect on the Group's ability to borrow funds as well as the cost and other terms of funding. There can be no assurance that such funds will be available at a commercially reasonable cost, or at all, and consequently, there can be no assurance that the Issuer will be able to refinance the New Bonds when they mature even if the Bondholders vote in favour of the Proposal. The Group's inability to repay its debt obligations would have a material adverse effect on the Bondholders' recovery under the New Bonds and the Participation Notes and the Bondholders may lose all or some of their investment.

Appointment and authorisations

The authorisation of the Agent and the Ad Hoc Committee will result in the Agent and the Ad Hoc Committee having a wide mandate to take decisions, which will be binding upon all Bondholders. Consequently, the actions of the Agent or the Ad Hoc Committee could impact a Bondholder's rights in a manner that could be undesirable for some Bondholders.

Written procedure

The Terms and Conditions allow for stated majorities of Bondholders to bind all Bondholders, including Bondholders who have not taken part in the Written Procedure and those who have voted contrarily to the majority vote. Consequently, the actions of the majority in the Written Procedure could impact a Bondholder's rights in a manner that would be undesirable from such Bondholder's perspective.

Participation Notes

The the redemption amount of the Participation Notes on its maturity are contingent on the development of the net asset value of the Group. The development of the net asset value of the Group will in turn depend on, among other things, the future financial and operating performance of the Group's assets, which will be affected by prevailing economic conditions and financial, business, regulatory and other factors, some of which are beyond the Group's control. Should the net asset value of the Group not increase or increase less than expected, it could result in a lower redemption amount or that no payments are made at all to the holders on the maturity of the Participation Notes.

Tax risk

The tax treatment of the New Notes and the Participation Notes under the tax legislation of each Bondholder's member state and of the Issuer's country of incorporation, may impact the income received from the investment in the New Notes and the Participation Notes. The Proposal, including the New Bonds Terms and Conditions and the Participation Notes Terms and Conditions, may also impact the tax position of the Issuer.

Each Bondholder must make its own determination as to the tax consequences of the Proposal and each Bondholder is strongly encouraged to consult a qualified tax adviser for information with respect to the tax consequences that may arise in each individual case, including but not limited to the applicability and effect of foreign income tax rules, provisions contained in double taxation treaties and other rules, which may be applicable. Neither the Issuer nor its affiliates, agents or representatives assumes any responsibility for any tax implications or consequences of the transactions contemplated by this Written Procedure.

8 Written Procedure

The following instructions need to be adhered to in the Written Procedure.

8.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier or email to the address indicated below no later than 15:00 CET, on 5 December 2024. Votes received thereafter may be disregarded.

8.2 Decision procedure

The Agent will determine if received replies are eligible to participate in the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Proposal shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken in the Written Procedure will:

- (a) be sent by notice to the Bondholders; and
- (b) be published on the websites of the Issuer and the Agent.

A matter decided in the Written Procedure will be binding for all Bondholders, irrespective of them responding in the Written Procedure.

8.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date (25 November 2024) in the debt register:

- (a) be registered as a direct registered owner of a Securities Account;
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Existing Bonds; or
- (c) be a beneficial owner of an Existing Bond with proof of ownership of the Existing Bonds acceptable to the Agent.

8.4 Existing Bonds registered with a nominee

If you are not registered as a direct registered owner as set forth in Section 8.3(a), but your Existing Bonds are held through a registered authorised nominee or another intermediary as set forth in Section 8.3(b), you may have two different options to influence the voting for the Existing Bonds:

- (a) you can ask the authorised nominee or other intermediary that holds the Existing Bonds on your behalf to vote in its own name as instructed by you; or
- (b) you can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Existing Bonds through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as Bondholder of the Securities Account, or from each intermediary in the chain of Bondholders, starting with the intermediary that is registered in the debt register as a Bondholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Existing Bonds on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Existing Bonds on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Existing Bonds are registered or need authorisation or other assistance to participate. Existing Bonds owned by the Issuer, another Group Company or an Affiliate do not entitle to any voting rights.

8.5 Quorum

To approve the Proposal, Bondholders representing at least twenty (20) per cent. of the Adjusted Nominal Amount must reply to the Proposal in the Written Procedure in order to form a quorum.

If a quorum does not exist, the Agent shall initiate a second Written Procedure, provided that the Proposal has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure. A vote cast in the Written Procedure shall, unless amended or withdrawn, constitute a vote also in a second Written Procedure (if any) pursuant to the Terms and Conditions with respect to the Proposal.

8.6 Majority

At least two thirds (2/3) of the Adjusted Nominal Amount for which Bondholders reply in the Written Procedure must consent to the Proposal in order for it to pass.

8.7 Address for sending replies

(a) Any determination or election to be made by an Independent Adviser, the Issuer or the Bondholders in accordance with the provisions of this Clause 20 shall at all times be made by such Independent Adviser, the Issuer or the Bondholders (as applicable)

acting in good faith, in a commercially reasonable manner and by reference to relevant market data.

- (b) If a Base Rate Event has occurred, this Clause 20 shall take precedent over the fallbacks set out in paragraph (b) to (d) of the definition of STIBOR.

20.2 Definitions

In this Clause 20:

"Adjustment Spread" means a spread (which may be positive, negative or zero) or a formula or methodology for calculating a spread, or a combination thereof to be applied to a Successor Base Rate and that is:

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

"Base Rate Amendments" has the meaning set forth in Clause 20.3(d)

"Base Rate Event" means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;
- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;
- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;
- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Bondholder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);

(e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) containing the information referred to in paragraph (b) above; or

For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to paragraph (b) below.

(b) If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.

- (c) If the Issuer fails to appoint an Independent Adviser in accordance with paragraph (b) above, the Bondholders shall, if so decided at a Bondholders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in paragraph (b) above. - (b) If a Base Rate Event has occurred, this Clause 20 shall take precedent over the fallbacks set out in paragraph (b) to (d) of the definition of STIBOR.

20.2 Definitions

- (a) formally recommended by any Relevant Nominating Body in relation to the replacement of the Base Rate; or
- (b) if (a) is not applicable, the adjustment spread that the Independent Adviser determines is reasonable to use in order to eliminate, to the extent possible, any transfer of economic value from one party to another as a result of a replacement of the Base Rate and is customarily applied in comparable debt capital market transactions.

"Base Rate Amendments" has the meaning set forth in Clause 20.3(d)

"Base Rate Event" means one or several of the following circumstances:

- (a) the Base Rate (for the relevant Interest Period) has ceased to exist or ceased to be published for at least five (5) consecutive Business Days as a result of the Base Rate (for the relevant Interest Period) ceasing to be calculated or administered;
- (b) a public statement or publication of information by (i) the supervisor of the Base Rate Administrator or (ii) the Base Rate Administrator that the Base Rate Administrator ceases to provide the applicable Base Rate (for the relevant Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;
- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;

- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Bondholder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);
- (e) a public statement or publication of information in each case by the bankruptcy trustee of the Base Rate Administrator or by the trustee under the bank recovery and resolution framework (Sw. *krishanteringsregelverket*) containing the information referred to in paragraph (b) above; or
- (f) a Base Rate Event Announcement has been made and the announced Base Rate Event as set out in paragraphs (b) to (e) above will occur within six months.

"Base Rate Event Announcement" means a public statement or published information as set out in paragraphs (b) to (e) of the definition of Base Rate Event that any event or circumstance specified therein will occur.

"Independent Adviser" means an independent financial institution or adviser of repute in the debt capital markets where the Base Rate is commonly used.

"Relevant Nominating Body" means, subject to applicable law, firstly any relevant supervisory authority, secondly any applicable central bank, or any working group or committee of any of them, or thirdly the Financial Stability Council (Sw. *Finansiella stabilitetsrådet*) or any part thereof.

"Successor Base Rate" means:

- (a) a screen or benchmark rate, including the methodology for calculating term structure and calculation methods in respect of debt instruments with similar interest rate terms as the Bonds, which is formally recommended as a successor to or replacement of the Base Rate by a Relevant Nominating Body; or
- (b) if there is no such rate as described in paragraph (a) above, such other rate as the Independent Adviser determines is most comparable to the Base Rate.

For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply *mutatis mutandis* to such new Successor Base Rate.

20.3 Determination of Base Rate, Adjustment Spread and Base Rate Amendments

- (a) Without prejudice to paragraph (b) below, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the Issuer's expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to paragraph (b) below.

- (b) If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.
- (c) If the Issuer fails to appoint an Independent Adviser in accordance with paragraph (b) above, the Bondholders shall, if so decided at a Bondholders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in paragraph (b) above. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clauses 20.3 to 20.6, the Agent (acting on the instructions of the Bondholders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.
- (d) The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").
- (e) Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

20.4 Interim measures

- (a) If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:
 - (i) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred; or
 - (ii) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.
- (b) For the avoidance of doubt, paragraph (a) above shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause

20. This will however not limit the application of paragraph (a) above for any subsequent Interest Periods, should all relevant actions provided in this Clause 20 have been taken, but without success.

20.5 Notices etc.

Prior to the Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments become effective the Issuer shall promptly, following the final decision by the Independent Adviser of any Successor Base Rate, Adjustment Spread and any Base Rate Amendments, give notice thereof to the Agent, the Issuing Agent and the Bondholders in accordance with Clause 26 (*Notices and Press Releases*) and the CSD. The notice shall also include information about the effective date of the amendments. If the Bonds are admitted to trading on a stock exchange, the Issuer shall also give notice of the amendments to the relevant stock exchange.

20.6 Variation upon replacement of Base Rate

- (a) No later than giving the Agent notice pursuant to Clause 20.5, the Issuer shall deliver to the Agent a certificate signed by the Independent Adviser and the CEO, CFO or any other duly authorised signatory of the Issuer (subject to Clause 20.3(c)) confirming the relevant Successor Base Rate, the Adjustment Spread and any Base Rate Amendments, in each case as determined and decided in accordance with the provisions of this Clause 20.
