- (b) The Leverage Ratio shall be measured on the relevant testing date, and then so that:
 - (i) for the purposes of calculating the Net Interest Bearing Debt, the full commitment of any new Financial Indebtedness in respect of which the Incurrence Test is applied shall be taken into account (however, any cash balance resulting from the incurrence of such new Financial Indebtedness shall not reduce the Net Interest Bearing Debt) and, if the Incurrence Test is tested in connection with the incurrence of Financial Indebtedness incurred for the purposes of financing an acquisition permitted pursuant to these Terms and Conditions, the cash balance resulting from the incurrence of the new Financial Indebtedness shall reduce the Net Interest Bearing Debt; and

- (e) Notwithstanding the above, if the Incurrence Test is tested in connection with incurrence of Financial Indebtedness to be used for an acquisition, the calculation of the Net Leverage Ratio may, at the Issuer's election, be made based on the Net Leverage Ratio for the to be acquired entity only on a stand-alone basis (without the Group). The Net Interest Bearing Debt shall be measured for the relevant to be acquired entity on the relevant testing date so determined, but include the new Financial Indebtedness incurred by the Group for the acquisition and shall include cash in the amount of any Subordinated

Debt or unconditional shareholder's contribution made for the purpose of the Incurrence Test in connection with such acquisition.

- (f) Where any Financial Indebtedness is being incurred in reliance on paragraph (u) of the definition Permitted Debt together with any other permission under Permitted Debt (any such permission, an "**Other Debt Permission**"), the Incurrence Test shall be calculated assuming that the Borrower has not incurred such Financial Indebtedness under the Other Debt Permissions.

- (b) The figures for Net Finance Charges set out in the Financial Report as of the most recent quarter date (including when necessary, financial statements published before the First Issue Date), shall be used, but adjusted so that Net Finance Charges for such Reference Period shall be:

Interest Period) permanently or indefinitely and, at the time of the statement or publication, no successor administrator has been appointed or is expected to be appointed to continue to provide the Base Rate;

- (c) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator that the Base Rate (for the relevant Interest Period) is no longer representative of the underlying market which the Base Rate is intended to represent and the representativeness of the Base Rate will not be restored in the opinion of the supervisor of the Base Rate Administrator;
- (d) a public statement or publication of information in each case by the supervisor of the Base Rate Administrator with the consequence that it is unlawful for the Issuer or the Issuing Agent to calculate any payments due to be made to any Bondholder using the applicable Base Rate (for the relevant Interest Period) or it has otherwise become prohibited to use the applicable Base Rate (for the relevant Interest Period);

For the avoidance of doubt, in the event that a Successor Base Rate ceases to exist, this definition shall apply *mutatis mutandis* to such new Successor Base Rate.

20.3 Determination of Base Rate, Adjustment Spread and Base Rate Amendments

- (a) Without prejudice to paragraph (b) below, upon a Base Rate Event Announcement, the Issuer may, if it is possible to determine a Successor Base Rate at such point of time, at any time before the occurrence of the relevant Base Rate Event at the Issuer's expense appoint an Independent Adviser to initiate the procedure to determine a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating and finally deciding the applicable Base Rate. For the avoidance of doubt, the Issuer will not be obliged to take any such actions until obliged to do so pursuant to paragraph (b) below.
- (b) If a Base Rate Event has occurred, the Issuer shall use all commercially reasonable endeavours to, as soon as reasonably practicable and at the Issuer's expense, appoint an Independent Adviser to initiate the procedure to determine, as soon as commercially reasonable, a Successor Base Rate, the Adjustment Spread and any Base Rate Amendments for purposes of determining, calculating, and finally deciding the applicable Base Rate.
- (c) If the Issuer fails to appoint an Independent Adviser in accordance with paragraph (b) above, the Bondholders shall, if so decided at a Bondholders' Meeting or by way of Written Procedure, be entitled to appoint an Independent Adviser (at the Issuer's expense) for the purposes set forth in paragraph (b) above. If an Event of Default has occurred and is continuing, or if the Issuer fails to carry out any other actions set forth in Clauses 20.3 to 20.6, the Agent (acting on the instructions of the Bondholders) may to the extent necessary effectuate any Base Rate Amendments without the Issuer's cooperation.
- (d) The Independent Adviser shall also initiate the procedure to determine any technical, administrative or operational changes required to ensure the proper operation of a Successor Base Rate or to reflect the adoption of such Successor Base Rate in a manner substantially consistent with market practice ("**Base Rate Amendments**").
- (e) Provided that a Successor Base Rate, the applicable Adjustment Spread and any Base Rate Amendments have been finally decided no later than prior to the relevant Quotation Day in relation to the next succeeding Interest Period, they shall become effective with effect from and including the commencement of the next succeeding Interest Period, always subject to any technical limitations of the CSD and any calculations methods applicable to such Successor Base Rate.

20.4 Interim measures

- (a) If a Base Rate Event set out in any of the paragraphs (a) to (e) of the Base Rate Event definition has occurred but no Successor Base Rate and Adjustment Spread have been finally decided prior to the relevant Quotation Day in relation to the next succeeding Interest Period or if such Successor Base Rate and Adjustment Spread have been finally decided but due to technical limitations of the CSD, cannot be applied in relation to the relevant Quotation Day, the Interest Rate applicable to the next succeeding Interest Period shall be:

- (i) if the previous Base Rate is available, determined pursuant to the terms that would apply to the determination of the Base Rate as if no Base Rate Event had occurred; or
 - (ii) if the previous Base Rate is no longer available or cannot be used in accordance with applicable law or regulation, equal to the Interest Rate determined for the immediately preceding Interest Period.
- (b) For the avoidance of doubt, paragraph (a) above shall apply only to the relevant next succeeding Interest Period and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustments as provided in, this Clause 20. This will however not limit the application of paragraph (a) above for any subsequent Interest Periods, should all relevant actions provided in this Clause 20 have been taken, but without success.
